

TALENT HUNT TO WELCOME COMMERCE FRESHERS

The ever dynamic Commerce Association organized a Talent Hunt show to welcome the Commerce fresher students on 17th September'16. The students of Department of Commerce showed their inherent talent by instrument playing, singing, dancing, mimicry and Ad mad. The beauty and brain titles of Mr. and Ms. Fresher were also awarded to the deserving and talented candidates on the basis of their performances. The jury members decided their performances as per the solo and group dance enacted. The contest exhibited distinct efforts amongst them making it a tedious job for the Honorable Judges to arrive at conclusions. It had a variety of classical performances, Bollywood based fusions, semi classical acts and even free style. The talent was even extended to the musical performances, playing different instruments like guitar and Casio where students mesmerized the audience with their melodious vocal skills. The event was followed by a ramp walk round for the title winners of the previous round where they had to answer perception based questions. The "Dekh Tamasha Dekh" - the Ad mad show was also conducted and talented students were split into teams, they were given only three minutes time to prepare an advertisement on the given topic. The exuberant teams prepared hilarious acts and also involved social advertisements as well. The event was smoothly managed by the Commerce Association team under the inspirational guidance of faculty members and the convener of Commerce Association Dr. Kavita Arora. The students were zealous about the event and it lasted with cheerful and elated applause of the audience.
