Events and Activities

"Start by doing what is necessary, than what is possible, and suddenly you are doing the impossible." Shyam Lal College Physics Society, better Known as **Fiz-iks**, is a society for anyone connected who is interested in Physics, or simply curious about, Physics. Since 2013, the society has been organizing an annual Physics fest "QUANTUM" in which students from science actively participates in large numbers.

The Physics fest executed with the following events every year:

1. PHYSICS THEME BASED RANGOLI
2. POSTER PRESENTATION
3. LECTURE, DEBATE
4. SCI - FUN – FUTURE GLIMPSES
5. POETRY
6. QUIZ
7. SINGING
8. TRAINING SESSION

In addition to these activities, special lectures were also organized during the fest. Department feels proud to organise such a fabulous & successful fest and would like to convey thanks to Principal and management for their timely advice and cooperation for organising the fest. A big thanks to the entire teaching staff, Non-teaching staff and students of the department for their support, effort and contribution for making "QUANTUM" a great success since last four years..
