

Dr. Reshu Choudhary

Journals:

Choudhary R and Dutta M (2014) Synthesis of Coumarin Derivatives: A Green Process. *European Chemical Bulletin* 3(1):63-69.

Choudhary R and Dutta M (2014) Comparative Study of Efficiency of Heteropoly Acids Intercalated Bentonite. *International Journal of Chemical & Petrochemical Technology (IJCPT)* 4(1):19-22.

Choudhary R and Dutta M (2013) Silicotungstic Acid Modified Bentonite: An Efficient Catalyst for Synthesis of Acetal Derivatives of Aldehydes and Ketones. *Journal of Analytical Sciences Methods and Instrumentation* 3(0):193-201.

Choudhary R and Dutta M (2013) A Solvent Free Method for Deoximation Reaction. *International Journal of Applied Physical and Bio-Chemistry Research (IJAPBCR)* 3(5):1-12.

Paper Presentation:

Choudhary R (2007) Phosphomolybdic Acid Intercalated Bentonite: An Efficient and Green Catalyst for Acetylation Reaction *International Conference of Environmental Research* PG College Bhopal.
