

Seminar on “Sexual violence: Interpersonal and Digital Interface”

18thSeptember, 2018

A more serious public health problem is sexual violence. It has a profound short or long-term impact on physical and mental health, such as an increased risk of sexual and reproductive health problems, an increased risk of suicide or HIV infection. sexual violence can occur to anybody at any age. It is an aggressive act that frequently aims to express power and dominance over the victim. Being a responsible citizen and finding it a duty of an institution Skill Development Cell of Shyam Lal College (University of Delhi) organized a seminar on “Sexual violence: Interpersonal and Digital Interface”, on 18thSeptember, 2018 in Seminar Hall, SLC. The resource person for the seminar was Mr. Krishan Dutt Thapliyal, Legal Aid Council (DLA), Shahdara. He was an erudite person and well versed in his field. He delivered his lecture in vivid and simplified form and students were able to comprehend each and every bit of it. He told students about different types of sexual violence and laws for them. He told students the severity of the issue as it affects all parts of society and responses that arise to combat it are comprehensive, taking place on the individual, administrative, legal, and social levels. The session was very interactive as students asked various questions from the speaker and he solved their queries in a simplified form. Students found him approachable. A message of being a sensible citizen of India was given to students. The session ended with a vote of thanks delivered by the convener Dr. Kavita Arora. 85 participants attended the event.
