

REPORT ON STUDENTS' FEEDBACK (2019-20)

The perfect idea of a virtuous education system is the one which is student-centric. The students have always been an integral part of the College. The key measure of College's development can be easily figured out by the holistic development of its students. In order to gather the perception of students for the academic session 2019-20, a questionnaire with eight parameters has been circulated. The data set comprises of representative and convenience sampling. The collected data points from 336 students are analyzed on a 5-point Likert scale. The scale measures the responses as *Extremely Satisfied*, *Satisfied*, *Neither Satisfied nor Dissatisfied*, *Dissatisfied* or *Extremely Dissatisfied*. The Table 1 demonstrates the average responses observed on the given scale as against the respective parameters. As a higher (or lower) proportion of students respond as *Extremely Satisfied and Satisfied* (or *Extremely Dissatisfied and Dissatisfied*), indicates an outcome in favor of (or against) College attaining(or deviating from) its goal.

Table 2 : The students' responses (in percentage) on eight parameters with distinct variables

The Table 2 has detailed the eight parameters into distinct variables. The statistical score denotes the satisfactory performance of students is the Average score of the variables measuring the respective parameters. The Academic Resources and Academic Activities has been inferred as a satisfaction level of the students being beyond 70% in majority of variables. It implies that the students are gratified with the College endeavors to uplift and enhance their knowledge-based learnings. The Infrastructural development of the College and Grievance Redressal Mechanism have also found to be hovering around positive feedback. The percentage scores of *Institutional Social Responsibility* and *Impact of college on your life* has also been around and/or above 60% favorable responses from the pupils' perspective.

So, the journey of education at SLC has always been inclined to be more student-centric. The whole idea of education is to deliver the knowledge along with values to the youth of nation who would be soon a part of nation building process. The overwhelming views and perceptions addressed by the students are always welcomed by the College. This survey is an annual exercise. It has also been associated as an arena to list the students' concerns, drawing the solutions and also volunteering the new initiatives out of it.
