

Eco-club (the_last_leaf) Shyam Lal College

Climate Jamboree

In Collaboration with

Department of Environment, Government of India

Climatic jamboree the two day event (1st -2nd Nov 2018) was organized by Teri school of advance studies and Dalmia cement initiative. It was a movement that aims to engage and empower youth through activities and programs geared towards building a sustainable future. Eco club students participated and also shared knowledge and experiences with the renowned dignitaries. Not only this student also participated in culinary competition in this captioned competition and was rewarded for the efforts and dedication. Total 10 students participated in this event.
