REPORT OF THE 'NAYI DUNIYA- OLD AGE HOME
(1-2-2018)

The students of NSS unit visited 'Nayi Duniya - Old Age Home' on 1st February 2018. Old age homes are predominantly for those senior citizens who cannot live with their children for some reason. They can live there for a small fee as well as have a 24-hour nurse on call. However, this can make them lonely. It is indeed depressing to see old people waiting perpetually for people to come to visit them. There are many securities to live there, however, there are downsides. There is positivity to being around people of their own age, and doing activities together. They were all very friendly with one another and even to the people who visited. It was deeply heartening to see the friendliness between the people who resides there. They were enjoying their lives as much as they could and focusing on the positives. They are very special people to be with. 20 students participate in this event.
