The National Service Scheme [NSS] of Shyam Lal College, University of Delhi organized 'PLANTATION DRIVE' in Collaboration with SAP in the college campus on 24th September, 2022 on the occasion of NSS Day. This is because the NSS unit takes care of the environment through the pledge of planting saplings each month and giving an inspiration to other fellow students in the college to do the same and take care of the nature.

The event was hosted and fully taken care of by the NSS Team and the student volunteers. The student volunteers planted saplings under the supervision of the NSS team members and all of them were given the instructions for the same during the event. College Gardner Mr. Deepak played an important role in making this Event Successful.

This Event took place in the college garden and nearly 75-80 members of NSS actively and enthusiastically participated in this event with gathering a bunch of knowledge as: How to use plantation tools like small hoe, scraper, etc. and also got exposure to the environment and people there. Finally, the event was over as the team achieved the target for Planting at least 10 saplings this month by each student participating.
