

National Service Scheme

Report on

“Plantation Drive at Jheel Park”

Date: 28th July 2022

Time: 2:30 PM

Venue: Jheel Park, Shahdara

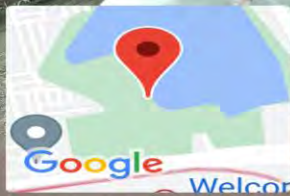

The National Service Scheme (NSS) of Shyam Lal College, University of Delhi organised a "PLANTATION DRIVE" on the occasion of World Nature Conservative day on 28th July 2022. Many student volunteers of the NSS team enthusiastically participated in the plantation drive to spread awareness about the nature and planting more and more trees. They also helped each other in planting the saplings.

The drive started at 2:30 PM. It was hosted and successfully managed by the NSS team. More than 85 students participated in this drive. Different kinds of saplings were planted by the students. As we all know, that our natural environment is the most beautiful creation of the God. So we have to try every possible way to save nature. The students along with the NSS team took an oath to plant more and more trees, look after the saplings after planting them and to encourage others to do the same.

All and all the event was a great success and a wonderful initiative towards starting a new good habit which is taking care of our mother nature.
