

A REPORT ON EDUCATIONAL TRIP BY AMBEDKAR STUDY CIRCLE

An Educational Trip was conducted by Ambedkar Study Circle on April 21st, 2023. Around fifty students including faculty members visited Dr. Ambedkar International Center, the Prime Minister Museum, and the Ambedkar Memorial in New Delhi. The aim of this visit was to increase awareness of the lives and legacies of Dr. B.R. Ambedkar, the architect of the Indian Constitution, and all Prime Ministers of India. This report summarises the visit and highlights some of the key insights gained by the students.

Arrival at the Centers and Museum:

At the Dr. Ambedkar International Center students were given a brief introduction to the Center and its significance in the context of Dr. Ambedkar's life and work. The students were then taken on a guided tour of the various exhibits and installations in the Center.

After the tour, the group visited the Prime Minister Museum located at the Teen Murti Bhavan. The museum showcases the lives and works of the Prime Ministers of India, from Jawaharlal Nehru, the first Prime Minister of India, to the present-day Prime Minister Narendra Modi. The students were impressed by the range and diversity of exhibits at the museum, which included personal belongings, photographs, and letters from the Prime Ministers' lives.

Finally, the group visited the Ambedkar Memorial, which is dedicated to the life and work of Dr. B.R. Ambedkar. The museum has an extensive collection of exhibits related to Dr. Ambedkar's life, including personal belongings, photographs, and letters. The students were struck by the challenges and obstacles that Dr. Ambedkar had to overcome in his life and his unwavering commitment to social justice and equality.

Reflections:

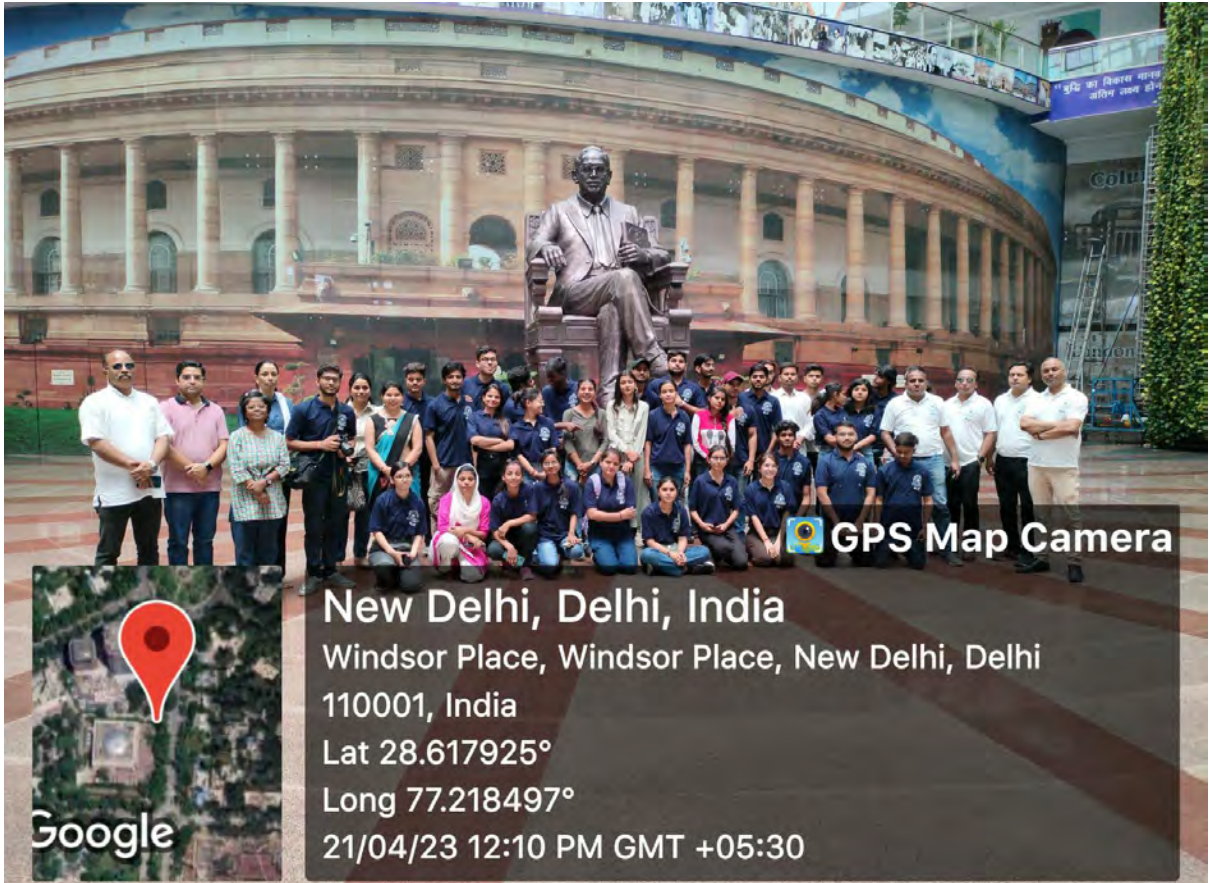

After the tour, the students gathered for a group reflection on their visit. They shared their thoughts and impressions of the three venues and their exhibits. Some of the key takeaways included:

1. The Legacy of Dr. Ambedkar: The students were struck by the legacy of Dr. Ambedkar and his contributions to Indian society. They recognized that many of the issues that Dr. Ambedkar fought for, such as caste discrimination and inequality, are still prevalent in Indian society today.

2. The Role of Prime Ministers in Shaping India: The students also discussed the critical role played by the Prime Ministers of India in shaping the country's destiny and its place in the world. They recognized that the Prime Ministers of India have played a critical role in shaping the country's politics, governance, and foreign policy.

The visit to the Dr. Ambedkar International Center, Prime Minister Museum, and Ambedkar Memorial was an enriching experience for the students. They gained a deeper understanding of the lives and legacies of Dr. B.R. Ambedkar and the Prime Ministers of India, and the role they played in shaping the country's destiny. The visit provided a unique opportunity for the students to learn about the rich history and culture of India and the challenges that the country faces today.

In this series, a felicitation programme was also held for the volunteers and winners of the Quiz Competition on 1st May. Where certificates and trophies were distributed to all the students. Ms. Annie Thomas Rojer, Dr. Sanjeev Kumar, Dr. Pankaj Chaudhary, Dr. Ramesh Burnwal and Dr. Deepti Sharma were presented during the felicitation. This felicitation programme was organised by Dr. Rajeshvari.
