Cleanliness drive at Yamuna Ghat
In collaboration with
Department of Environment, Government of NCT, Delhi

On the occasion of World Environment Day a team of 30 student's member of SAP and Eco- Club of Shyam Lal College in collaboration with Department of Environment, Delhi Government conducted a cleanliness drive at Yamuna Ghat as well as in the campus from 3rd to 27th June 2022. Theme of the event was #Only One Earth this act created awareness among other students and college members towards a clean and hygienic environment. Therefore, our team of volunteers took initiative to promote, monitor and operate cleanliness of the Yamuna Ghat and campus and they participated in various social/environmental activities of the college as well as outside the college premises. The team propagated an eco-friendly step towards an environment in which they interacted with the students and articulated to them about the importance of cleanliness. With the motto of "Swachh Bharat", all volunteers picked waste from the Yamuna Ghat as well as in the college campus and collected them in the garbage bags and disposed of.
