

Report on Innovation Council Workshop: Unleashing Creativity and Problem-Solving Skills

Date: November 7, 2023

The Innovation Council of our institution successfully conducted a workshop on Problem Solving and Ideation, marked by insightful presentations and engaging discussions. The session commenced with a warm welcome from Dr. Saubhyalaxmi Singh, the Convenor of the Innovation Council, extended gratitude to the participants and introduced the distinguished speaker, Dr. Anuj Kumar Goel.

Opening Address:

Dr. Saubhyalaxmi Singh set the tone for the workshop by emphasising the importance of innovation in today's dynamic world. She highlighted the role of creative problem-solving in driving progress and welcomed Dr. Anuj Kumar Goel, an esteemed expert in the field.

Keynote Presentation:

Dr. Anuj Kumar Goel took the virtual stage and delved into the intricacies of idea generation techniques. His presentation covered a wide array of topics, including the creation of databases and the development of collective business models. Dr. Goel's expertise shone through as he provided valuable insights into unlocking creativity and fostering an innovative mindset among the participants.

Idea Generation Techniques:

The speaker expounded on various idea generation techniques, encouraging participants to think beyond conventional boundaries. Attendees gained a deep understanding of how to cultivate and refine ideas, turning them into actionable solutions. Dr. Goel's engaging style and real-world examples resonated well with the audience.

Interactive Session:

The workshop was not just a one-way communication, but an interactive forum. Participants actively engaged with the speaker, posing questions and sharing their thoughts. This interactive approach added a practical dimension to the theoretical concepts discussed during the session.

Mode of Workshop:

The workshop was conducted on the Zoom platform, allowing seamless interaction between the speaker and the 50 enthusiastic participants. The virtual setting facilitated broader participation, transcending geographical constraints and providing a convenient space for knowledge exchange.

Conclusion:

The Problem Solving and Ideation Workshop organised by the Innovation Council was a resounding success, thanks to the collaborative efforts of Dr. Saubhyalaxmi Singh, Dr. Anuj Kumar Goel, and the enthusiastic participants. The event not only equipped attendees with valuable insights into idea generation but also fostered a sense of community and collaboration.

In conclusion, the workshop proved to be a significant step in nurturing a culture of innovation within our institution. The Innovation Council looks forward to organising more such events to continue fostering creativity and problem-solving skills among the academic community.
