| Date | 16 th January 2024 |
| Activity Name | National Startup Day |
| No. Of Participants | 41 |
| No of Faculty Participants | 9 |
| Mode Of Delivery | Offline (Seminar Hall) |
| Remark | The interaction between students and faculty not only enriched the learning experience but also fostered a sense of collaboration and mentorship. |
| Objective | Foster a culture of innovation and collaboration within the college community. Provide a platform for students to receive feedback on their ideas. Encourage creative thinking and problem-solving. Inspire students to consider entrepreneurial careers. |
| Benefit | It wasn't just a competition; it was a catalyst for individual growth, community engagement, and a shift in perspectives towards embracing unconventional career paths and creative problem-solving. This deeper understanding can benefit you in numerous ways, whether you're writing a report, planning future events, or simply reminiscing about a truly impactful initiative. |
| Program Coordinator (S) | Tanishq Sehgal, Akshita, Raghav Khurana |

Overall Report of Activity

Date: 16th January 2024

Time: 1 PM- 2:30 PM

College Startup Day commenced with the official ribbon-cutting ceremony led by the principal, marking the formal inauguration of the event. The principal's presence added an air of importance and legitimacy to the occasion, setting the stage for an exciting showcase of entrepreneurial talent within the college community. The heart of the event lay in the dynamic student pitches, where participants demonstrated not only their innovative ideas but also their ability to think creatively and solve real-world problems.

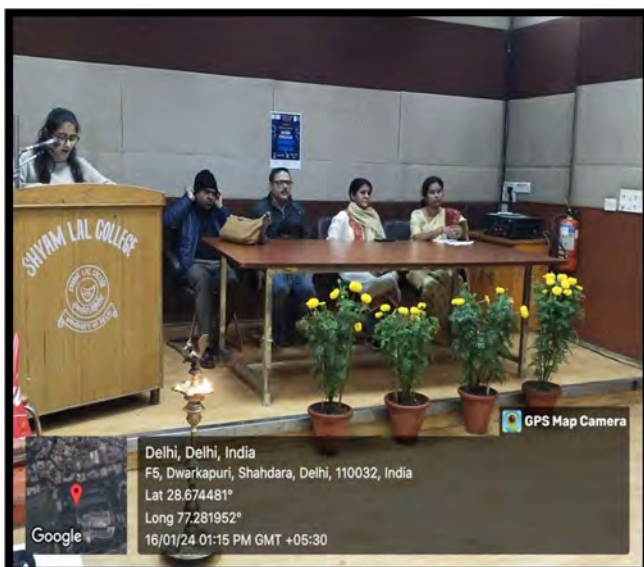

Students presented a diverse range of entrepreneurial concepts, each highlighting the unique talents and perspectives of the college's budding innovators. The pitches weren't just about business ideas; they reflected the passion and dedication of the students to make a positive impact on their surroundings. Faculty members played a crucial role in the event, actively participating by providing constructive feedback and valuable guidance to help refine the presented ideas. This interaction between students and faculty not only enriched the learning experience but also fostered a sense of collaboration and mentorship within the academic community.

The impact of College Startup Day extended beyond the immediate event. It successfully ignited a spirit of entrepreneurship within the college, inspiring students to think outside the box and consider alternative career paths. The event served as a catalyst for creative thinking, encouraging participants to explore innovative solutions to existing challenges. By promoting a

culture of innovation, the event contributed to shaping a more dynamic and forward-thinking college community.

In conclusion, College Startup Day emerged as a pivotal platform for students to showcase their entrepreneurial potential, receive constructive feedback, and engage in a collaborative exchange of ideas. Beyond the individual pitches, the event fostered a broader culture of innovation within the college, leaving a lasting impact on the mindset and aspirations of the participating students.
