Course: B.Sc. Physical Science (Chemistry)
2018-19

In order to gauge the perception of students regarding Syllabus/Curriculum for the academic session 2018-19, a questionnaire with thirteen parameters was circulated. The data set comprises of representative and convenience sampling. The 3-point Likert scale measured the responses as Agree=1, Not Sure=2, or Disagree=3. The Graph below demonstrates the responses observed on the given scale as against the respective parameters.

Action Taken
2018-19**

This section presents the action taken to resolve the issues identified from Syllabus/Curriculum feedback questionnaire.

Issues/Problem Areas reported

1. Do the teachers help the students achieve learning outcomes of the syllabus/curriculum?
2. Do the teachers encourage experiential learning in the syllabus/curriculum?

Issues resolved/Action Taken

1. **Do the teachers help the students achieve learning outcomes of the syllabus/curriculum?-** Teaching plans are uploaded on the website, students are made more aware about learning outcomes during orientation and tutorials, Learning based continuous evaluation is undertaken.
2. **Do the teachers encourage experiential learning in the syllabus/curriculum?-** Hands on experiential learning is limited by the theoretical focus in the curriculum. Literature based learning about historical past is achieved by visits to libraries, archives etc.

Action Taken in response to Feedback collected for Syllabus/Curriculum

Commerce

2018-19

This section presents the action taken to resolve the issues identified from Syllabus/Curriculum feedback questionnaire.

Issues/Problem Areas reported

1. Teachers help the students achieve learning outcomes of the syllabus/curriculum.
2. The prescribed syllabus/curriculum provides adequate hands on experience.

Issues resolved/Action Taken

1. **Learning Outcomes of syllabus/curriculum:** Students are made aware about the learning outcomes on orientation day and during regular class/tutorial interactions. Teaching plans are uploaded on college website to apprise students about subject specific learning outcomes. Thereafter, students are engaged in course outcomes based projects and assignments. Also, learning based continuous evaluation is undertaken to assess the real attainment of outcomes.
2. **Hands on Training for Academic Enhancement (Software, simulation etc.) –** For Academic Enhancement regular hands on practices sessions are offered on Software like TALLY, E-filing, MS office, HTML.

Economics

2018-19

This section presents the action taken to resolve the issues identified from Syllabus/Curriculum feedback questionnaire.

Issues/Problem Areas reported

1. Teachers help the students achieve learning outcomes of the syllabus/curriculum.
2. Teachers encourage for summer training/field work related to your syllabus/curriculum.
3. The prescribed syllabus/curriculum provides adequate hands on experience.

Issues resolved/Action Taken

1. **Learning Outcomes of syllabus/curriculum:** Students are informed about learning outcomes of their syllabus/curriculum on orientation day and also during regular class interactions. To ensure effective achievement of learning outcomes, teachers plan course outcomes based projects and assignments for students.
2. **Teachers encourage for summer training/field work:** To address this issue, audio-video medium is used by teachers to supplement theoretical knowledge. In addition to this, students are provided with direct opportunities participate in Innovation Projects, sponsored by University of Delhi.
3. **Hands on Training for Academic Enhancement (Software, simulation etc.):** The current syllabus has limited scope for hands-on experience. This has been brought to the notice of parent department, University of Delhi. However, economics department tries to resolve this by organizing workshops and hands on practices sessions on various softwares.

हिन्दी विभाग

ACTION TAKEN REPORT (कार्यवाई रिपोर्ट)

साल:2018-19

यह अनुभाग पाठ्यक्रम/पाठ्यचर्या प्रतिक्रिया प्रश्नावली से पहचाने गए मुद्दों को हल करने के लिए की गई कार्रवाई को प्रस्तुत करता है

समस्याएं/समस्या क्षेत्रों की रिपोर्ट

1. जेनरिक या ऐच्छिक पाठ्यक्रम/ पाठ्यचर्या संबंधित क्षेत्रों में उच्च शिक्षा के अनेक विकल्पों के मार्ग खोलता है।
2. क्या शिक्षक पाठ्यक्रम/पाठ्यचर्या में अनुभव से सीखने (experiential learning) को प्रोत्साहित करते हैं?
3. क्या शिक्षक आपके पाठ्यक्रम/पाठ्यचर्या से सम्बंधित ग्रीष्मकालीन ट्रेनिंग/ फील्ड वर्क के लिए प्रोत्साहित करते हैं??
4. निर्धारित पाठ्यक्रम/पाठ्यचर्या समुचित प्रायोगिक अनुभव प्रदान करता है?

मुद्दों का समाधान/ की गई कार्रवाई

1.हिंदी ऑनर्स के तहत जेनरिक पाठ्यक्रम के अंतर्गत हिंदी सिनेमा और उसका अध्ययन, पटकथा तथा संवाद लेखन, हिंदी में व्यावहारिक अनुवाद और हिंदी का वैश्विक परिदृश्य पेपर प्रदान किये जा रहे हैं। सिनेमा का पेपर इतर अनुशासन के छात्रों के लिए विजुअल आर्ट्स, फिल्म अध्ययन के क्षेत्र में उच्च शिक्षा के लिए प्रेरित करता है। इसी तरह से अनुवाद : व्यवहार और सिद्धांत अनुवाद के क्षेत्र में आगे के अध्ययन का मार्ग तैयार करता है। इसके अलावा प्रथम चार सेमेस्टर में हिंदी जेनरिक का अध्ययन हिन्दी विषय से उच्च शिक्षा पूरी करने का विकल्प तैयार करता है।

2.यह एक सिद्धांत आधारित पाठ्यक्रम है और इसमें पाठ्यक्रम के एक भाग के रूप में कोई व्यावहारिक विषय नहीं है, लेकिन शिक्षक अभी भी छात्रों को वास्तविक जीवन की स्थितियों में AECC पढ़ाते समय संलग्न करने का प्रयास करते हैं और वीडियो शोयरिंग, प्रस्तुतियों और छात्र विकास कार्यक्रमों के माध्यम से कौशल आधारित पेपरों को पढ़ाया जाता है।

3. चूंकि यह एक सिद्धांत आधारित पाठ्यक्रम है, ग्रीष्मकालीन प्रशिक्षण/क्षेत्रीय कार्य की गुंजाइश सीमित है। छात्रों को पुस्तकालयों का दौरा करने के लिए प्रोत्साहित किया जाता है और वीडियो/दृश्यों/ ध्वनियों आदि के माध्यम से पाठ्यक्रम से संबंधित विषयों के बारे में परिचित कराया जाता है

4. हिंदी साहित्य मूल रूप से एक सिद्धांत आधारित पाठ्यक्रम है, इसके बावजूद विषय आधारित कौशल संवर्धक तथा ऐच्छिक पाठ्यक्रमों मसलन विज्ञापन और हिंदी, कंप्यूटर और हिंदी भाषा, सोशल मीडिया, अनुवाद कौशल, कार्यालयी हिंदी, सोशल मीडिया, कंप्यूटर और हिंदी जैसे पाठ्यक्रमों में छात्रों को पर्याप्त व्यावहारिक अनुभव प्रदान करने की गुंजाइश है। इसके अलावा कोश विज्ञान : शब्दकोश और विश्वकोश, रंगमंच जैसे विषय आधारित ऐच्छिक पाठ्यक्रमों में भी छात्रों को व्यावहारिक अनुभव प्रदान करने की संभावना है। नाटक एवं रंगमंच सरीखे विषयों के लिए हम विद्यार्थियों को नाट्य मंचन देखने और दिल्ली के प्रेक्षागृहों में मंचित हो रहे नाटकों को देखने के लिए प्रेरित करते हैं और फिर उस अनुभव पर कक्षा में विस्तृत चर्चा करते हैं।

**Action Taken Report
DEPARTMENT OF ENGLISH**

Year: 2018-19

This section presents the action taken to resolve the issues identified from Syllabus/Curriculum feedback questionnaire.

Issues/Problem Areas reported

1. Do the teachers encourage experiential learning in the syllabus/curriculum?
2. Do your teachers encourage for summer training/field work related to your syllabus/curriculum?
3. The prescribed syllabus/curriculum provides adequate hands on experience.

Issues resolved/Action Taken

1. **Do the teachers encourage experiential learning in the syllabus/curriculum?**- It is a theory based syllabus and doesn't have any practical as a part of the curriculum but the teachers still try to engage students in real life situations while teaching AECC and Skill based papers through video sharing, presentations and Student Development Programs.
2. **Do your teachers encourage for summer training/field work related to your syllabus/curriculum?** - Since this is a theory based course, the scope for summer training/field work is limited. The students are encouraged to visit Libraries and are even familiarized about the past eras and times through videos/visuals, etc.
3. **The prescribed syllabus/curriculum provides adequate hands on experience.** - The course is theory based which does not have any hands-on experience component rather the focus is on developing critical and analytical skills in students through intensive teaching, tutoring and mentoring.

ACTION TAKEN REPORT

B.A.PROG

Year: 2018-19

Issues/ Problem Areas reported

1. Did the syllabus of your course prepare you for higher education in the respective field?
2. Has the syllabus developed your research aptitude?

Issues Resolved/Action Taken

1. B.A. Prog course' syllabus makes students eligible to pursue higher education in various fields of social sciences. It's up to the students to take full advantage of the knowledge base established through varied subjects taught to them. Students are always counselled in the classes so that they can chalk out plans for higher education and accordingly focus on respective subjects.
2. The course attempts to develop the research aptitude of the students to some extent but it does not offer any opportunity to work on the quantitative aspects of research.

Issues Resolved/Action Taken

1. The commerce syllabus develops research aptitude of the students to limited extent only. Teachers try to address this issue by encouraging students to take up research and by involving them in various projects. At college level also, students are offered the opportunity to be part of multidisciplinary innovation projects.

This section presents the action taken to resolve the issues identified from Alumni feedback questionnaire.

Issues/ Problem Areas reported

Did you do any summer training/field work related to your syllabus?

Issues Resolved/Action Taken

This concern can be resolved to a greater extent if project based papers are officially introduced into the curriculum by the university. However, at College level, the very active Training & Placement cell invites companies offering internship opportunities to the students. Other Centre/Cells also regularly organize Industrial visits/field trips to familiarize the students with various aspects of corporate culture and practical training.
