**25<sup>th</sup> January, 2023**

As our NSS unit of SLC, University of Delhi celebrates voter’s awareness on the occasion of National Voter’s Day on 25<sup>th</sup> January 2023 at 12 Noon. The members of our team of NSS volunteers give awareness to students who will be 18+ this year. Our volunteers gave information to students, about voter ID card, how to register for a voter ID card and tell the importance of voting. As our NSS gave full information regarding voting because voting is very important of our citizens. They tell us that the voter ID card is an identity document issued by the Election Commission of India. Voter ID card is important because we can vote our favourable and right party. And also tell us about how voting is more important to youth rather than old aged person, because voting now and participating in political decisions will ensure that you have a future to look forward to.

Our NSS team of SLC was honoured to have had the chance to celebrate and give information to students about voter ID card. 45 students attended the event
