Report on

“Survey”

14th December, 2022

The NSS unit of Shyam Lal College (M), University of Delhi conducted a physical survey in the Lal Bagh slum involving the students in various social activities under the exquisite guidance of our visionary Principal, Prof. Rabi Narayan Kar and learned faculty members of NSS – Dr. Prabhat Sharma and Mr. Varun Panwar.

The main objective of this survey was to interact with the people living in the slums and get acquainted with their problems in daily life e.g. what problems are they face during excruciating winter. With the help of this survey the NSS unit of SLC aims to conduct a donation drive to curtail the problems faced by all the needy people living in the slums.

Consequentially, the drive was conducted on 14th December 2022 with the help of 14 students in which . Our team strived to cover a large area of the slum and reach out to a large population as much as possible.
