

Report on NATIONAL SCIENCE DAY

28th February 2024

"Science is a way of thinking much more than it is a body of knowledge." - Carl Sagan

On the occasion of National Science Day, celebrated by the NSS and the IIC (society of Shyamlal College), an engaging and informative event was organized. Participants were invited to showcase their knowledge and enthusiasm through activities such as extempore speeches and quiz competitions. The event provided a platform for students to demonstrate their understanding of scientific concepts and their ability to think critically. Through these activities, participants not only celebrated the spirit of science but also fostered a sense of camaraderie and intellectual engagement within the college community. Overall, the event was a resounding success, highlighting the importance of celebrating science and promoting scientific literacy among students. The event was attended by 60 students.
