Chairperson's Message

I congratulate you on becoming students of SLC.

It is with great pleasure that, on behalf of the entire faculty, staff and administration, I would like to welcome you all to this College where we strive for meaningful transformation of learners into responsible citizens by providing them with inclusive and value-based education.

I would like to congratulate you all that you have chosen SLC as a stepping stone for all your future endeavours. Our commitment towards academic excellence is reflected in the distinguished faculty members that we have, who are all renowned in their disciplines and who would work towards your success and growth. We know that your learning would not only be limited to the classrooms and for the same reason you would be provided opportunities for hands-on learning, and engagement with industry professionals which would ensure that you gain the required skillset to set you apart from the rest.

SLC also offers a rich tapestry of extra-curricular activities and student association which would allow you to develop various interpersonal skills and discover new and varied interests. You need to understand that College is a crucial step towards holistic development of your personalities and is also a place to create wonderful memories that you would cherish for your lifetime.

At SLC, I urge you to remain open to new experiences and get out of your comfort zone so as not to miss out any opportunities. Along with this, I would also encourage you to contribute towards your College community. Remember, once you are part of the SLC, you would not just represent yourself but also this institution and it is because of this reason, I anticipate you all would strive towards betterment of each and everyone around you.

Last but not the least, let's work together towards bigger achievements and excellence in your academic endeavour.

Warm Regards,

Smt. Savita Gupta
Chairperson
Shyam Lal College

Principal's Message

I take this opportunity to greet you all to be part of SLC: (Shyam Lal College) legacy. A legacy curated by consistent performance recognized by NAAC A++ and 43rd National Ranking among top Colleges of India, NIRF. SLC is also recognized in the “Performer” band under the General (Non-Technical) category by the Atal Ranking of Institutions on Innovation Achievement (ARIIA). The College is also recognized under the DBT Star College Scheme and recognized by the Ministry of Education as SAP (Swachhta Action Plan) Institution in 2020. I congratulate all stakeholders, including students, staff and all stakeholders for this remarkable achievement.

The journey began in 1964 when SLC, a co-educational constituent College of the University of Delhi, was established by the great visionary philanthropist Padma Shri Shyam Lal Gupta, the then Chairman of the Shyam Lal Charitable Trust, with the aim of making quality higher education accessible to students, especially girls, from the economically and educationally disadvantaged community of East Delhi. The College inculcates the principles of equality, morality, ethics, unity and equilibrium among its students with a view to making them responsible citizens and righteous leaders of the world, imbued in the age-old Indian principle of 'Vasudhaiva Kutumbakam'. SLC has been at the forefront of implementing the transformative vision of the National Education Policy (NEP) 2020. SLC as hub institution of East Delhi Cluster Colleges, propagates the principles of holistic, multidisciplinary, and outcome-oriented education, the College has actively contributed to curriculum reform and capacity-building initiatives in alignment with the NEP 2020. With the successful implementation of the Four-Year Undergraduate Programme (FYUP), including the fourth-year Research component, SLC provides students with opportunities to undertake meaningful research and present their work at national and international conferences. The College actively collaborates with leading organizations such as AICTE, ICSSR, IUAC, DRDO, IHC, ANRF and IITs to organize conferences, workshops and other academic initiatives. SLC is also expanding collaborations with reputed international institutions to further strengthen research, academic exchange and global learning opportunities. Our vision is to 'Educate, Enlighten and Empower' learners, nurturing them into enlightened individuals, responsible citizens and future leaders.

To enrich the teaching-learning process and promote holistic development, SLC has established several academic, research, innovation and student-support centres that foster

excellence, creativity and social responsibility. The College is equally committed to inclusive education through remedial coaching, Spoken English classes, mentoring, scholarships, dedicated support for students belonging to SC, ST, OBC, EWS and PwBD categories, and a barrier-free campus. Beyond the classroom, students benefit from industrial visits, internships, field studies, industry interactions, placement drives, academic awards, Winter Schools, Summer Schools and community engagement programmes, enabling them to develop the knowledge, skills and values required to excel in their chosen fields. The faculty at SLC comprises distinguished teachers, authors, researchers and scholars with acclaimed national and international publications. Committed to academic excellence and continuous learning, the College regularly organizes international academic exchanges, seminars, workshops, faculty development programmes, expert lectures and distinguished lecture series, providing students and faculty with opportunities to engage with eminent academicians, industry leaders and policymakers. SLC also promotes blended learning through the effective integration of digital, visual and online teaching resources, enriching the classroom experience and fostering an interactive learning environment. In order to keep pace with evolving pedagogical needs, SLC constantly upgraded its infrastructure & Academic facilities.

Besides excelling in academics, our students have brought laurels to the College in sports and a wide range of co-curricular and extracurricular activities, including theatre, dance, music, photography, fine arts, debating, NSS and NCC. SLC conducts a myriad of activities through its arts and cultural societies. SLC has taken an interesting initiative, in tandem with the Government of India's Skill India Mission, by organizing an Inter-College 'University Chef Competition' which has become a regular feature in the College calendar. SLC has emerged as one of the leading Colleges in East Delhi with outstanding sports facilities for games like hockey, kabaddi, baseball, volleyball, kho-kho, football and other games. SLC Inter-Varsity Invitational Hockey Tournament is an integral part of the University calendar. The College promotes sports and games in the Trans-Yamuna region of Delhi by providing opportunities and free coaching facilities to the young and talented players from low-income groups from neighbouring government schools or underprivileged sections of the society.

We, at SLC, understand our responsibility towards environmental conservation and therefore undertake several eco-friendly initiatives, including regular Green Audits of the campus. To promote sustainable use of energy, the College has installed fully functional solar panels.

SLC is a premier educational institution offering a vibrant and inclusive environment for excellence in academics, culture, sports and student-centric activities. The entire SLC community, including teachers, students and the non-teaching staff, works towards promoting higher education in the country to encourage a more 'learner-centric' approach. SLC strives to achieve these through regular curricular monitoring, academic innovations and continuous student involvement in all the activities.

With these words, I extend my best wishes to the admission seekers and all the stakeholders of SLC, and hope that our association will be a fruitful experience for all.

ABOUT THE COLLEGE

SLC

Shyam Lal College (SLC), a co-educational constituent College of the University of Delhi, was established in 1964 by the great visionary and entrepreneur Padma Shri Shyam Lal Gupta, the then Chairman of the Shyam Lal charitable trust. The College has been a centre of academic excellence since its inception and aims to make quality education accessible to students, especially girls, from economically and educationally disadvantaged communities of East Delhi. The College has had the honor of hosting eminent dignitaries, including the Hon'ble Former President of India, Shri Ram Nath Kovind, and the Hon'ble Vice-President of India, Shri M. Venkaiah Naidu, during International Conferences and Annual Day events in 2024 and 2019, respectively. In 2025, SLC celebrated its Shashti Poorthi, marking 60 years of academic and institutional achievement, in the esteemed presence of the Hon'ble Chief Minister of Delhi, Smt. Rekha Gupta. Over the years, the College has continued to achieve academic excellence, earning an A++ grade in its second cycle of NAAC accreditation. The College secured the 43rd position among Colleges in India under NIRF and has consistently featured among the country's top 100 Colleges. It has also been recognized as a "Performer" by ARIIA, awarded the prestigious DBT Star College Scheme, and secured top positions in the WURI Global Rankings.

The College is fully equipped with state-of-the-art Computer Labs, Multipurpose Hall, Conference Hall, Board Room, Science Labs, Innovation Plazas, Knowledge Resource Centre, Green and Open-Air Pathshala, Library and Sports facilities to enhance knowledge, skills and capabilities of the students preparing them to become future leaders. The College has been fully renovated and equipped with two lifts. The presence of lush green gardens covering the entire campus has added to the beauty of the picturesque College landscape. Our objective is to nourish, nurture and promote holistic higher education, providing equal opportunities to all. We develop our students as responsible citizens with critical thinking and analytical abilities, thereby contributing to the development of a healthy environment and a society free from all forms of discrimination and bias.

The College continuously strives for academic excellence and collaboration. It has successfully collaborated with institutes of national and international repute for organizing Conferences, Faculty Development Programmes and Student Development Programmes. The College has grown leaps and bounds in research and academic collaborations, as reflected in 8 ongoing national and international projects with renowned agencies like TUAS (Finland), APU (Japan), IUAC, DRDO, IHC, ANRF, IIT, AICTE, ICSSR, ICHR and CSIR-NPL.

At SLC, we strive to nurture responsible, empathetic, and socially aware citizens who can contribute meaningfully to national and global progress.

VISION

SLC strives for meaningful transformation of learners into responsible citizens by providing them with inclusive and value-based education.

MISSION

SLC provides a caring, supportive and secure teaching-learning environment for engagement with the students and other stakeholders to achieve excellence in academics, sports and extra-curricular activities while developing analytical temper and instilling strong values to prepare students as leaders. It promotes environment friendly practices and formulates strategies to strengthen research and innovation in the College, thereby expanding the realm of knowledge.

CONNECTIVITY

The College is well-connected by the Metro Rail network and road. The flyover from Welcome Metro Station to ISBT connects SLC to North Campus, University of Delhi with a travelling time of 10 minutes. The Metro Stations of Welcome and Shahdara which fall on the Rithala-Shaheed Sthal (New Bus Adda) Metro route via Kashmiri Gate are both at a walking distance from the College and provide the fastest and most convenient mode of transportation from most parts of the city and neighbouring towns of NCR. In addition, the College is well-connected by road

and bus services to various parts of the city. The famous Grand Trunk Road (G.T. Road) runs just adjacent to the College and connects it to the neighbouring towns of U.P. such as Sahibabad and Ghaziabad as well. The Inter State Bus Terminal (ISBT) at Kashmere Gate and ISBT at Anand Vihar is less than 5 kms away from the College. The Anand Vihar railway station provides very good direct connectivity to the College for students coming from eastern parts of the country.

SOCIAL ROLE

Shyam Lal College leaves no stone unturned when it comes to fulfilling its social responsibilities. SLC is a co-educational institution with a concession in marks of 1% in admission given to the female candidates to correct gender inequality prevalent in the Indian society. The College is also committed to making a contribution in removing the prevailing inequality in NCR region through imparting wholesome higher education to all. The College aims at promoting sports and indigenous games and has been actively engaged in providing free and regular coaching to the deserving and talented under-privileged students coming from East Delhi as well as the nearby areas of U.P. As a part of its social endeavour, the College

regularly indulges in promoting social welfare schemes. A number of awareness programmes including sanitation and plantation drives, financial literacy programmes have been popularized in the nearby areas with the active participation of our students and faculty members and the College strives to continue with the same.

Beyond correcting the regional imbalance, SLC seeks to, and has largely succeeded in becoming a representative institution of the entire city. Students from far and wide, including those from north-eastern states, as well as foreign students assimilate well in the corporate life of the Institution. Likewise, the College works within the norms of Delhi University to correct other discriminations in society such as those based on caste, tribe or disability. However, once admitted, the College goes beyond the norms to provide an enabling environment to all the students.

WI-FI & CCTV ENABLED CAMPUS

The College makes continuous efforts to ensure that its infrastructure remains capable of meeting all the diverse needs of a healthy educational system in a dynamic environment. SLC takes pride in being a Wi-Fi and CCTV enabled modern campus.

FACULTY

We have a teaching faculty of 160 highly qualified members in various Departments capable of taking care of all the academic as well as other needs of the students. In addition, as and when needed, the College appoints guest faculty with a clear objective of meeting the entire faculty requirement as per the needs of the curriculum. The SLC faculty, comprises of several experts in their respective fields, distinguished authors, researchers and scholars engaged in multi-disciplinary research, young as well as old, capable of providing an excellent learning experience to the students. The faculties leave no stone unturned in mentoring the students.

SUPPORT STAFF

The College has an efficient support staff capable of providing the highest quality of services and assistance to students. The services provided by support staff cover administration, accounts, and maintenance and laboratory services. The support staff has the best of facilities and technological support to efficiently carry out their work. They are also updated with adequate skills, through regular training programmes, to make the most of these resources for the betterment of the institution. At the same time, the College continuously stresses on the support staff to be polite, soft-spoken and helpful in all their interactions with the students. A fully air-conditioned modular office and computers with up-to-date software and Wi-Fi connectivity further facilitates this process. The College has highly capable support staff that is always ready to provide any information, support and counselling required by the students.

FLAGSHIP PROGRAMMES

SARASVATI IKS CENTRE

SLC established the Sarasvati IKS Centre as a pioneering initiative to promote and integrate IKS into contemporary education. The Centre explores diverse domains such as Ayurveda, philosophy, spirituality, sciences, mathematics, polity, ethics, and governance, encouraging original research and deeper engagement with India's rich intellectual heritage. In October 2023, the Centre launched *Vimarsh: The Reading Club* to foster critical thinking, dialogue, and intellectual engagement among students. A flagship initiative of the Centre has been its academic engagements and activities aimed at promoting Indian Knowledge Systems. The Centre has organized national-level academic programmes and discussions in collaboration with Bharatiya Bhasha Samiti, MoE, Government of India fostering dialogue on Indian languages, cultural heritage, and Bharatiya knowledge traditions.

RESEARCH & DEVELOPMENT CENTRE

SLC has established a Research and Development Centre (RDC) with the mandate of promoting quality research that contributes meaningfully towards the goal of a self-reliant India (*Atma-Nirbhar Bharat*), aligned with the provisions of NEP-2020. The Centre has initiated multidisciplinary research projects to foster collaboration among students and faculty, promoting hands-on learning, innovation, and research engagement across departments. The Centre has also been actively organizing national-level summer schools and workshops to promote interdisciplinary learning and research exposure among students.

UNNAT BHARAT ABHIYAN

SLC is a participating institute in the Unnat Bharat Abhiyan (UBA 2.0) which is the flagship programme of MoE, GoI. Under this project, SLC has adopted 5 villages - Dhitora (Baghpat), Nithora (Ghaziabad), Chirodi (Ghaziabad), Jawli (Ghaziabad), Kotwalpur (Ghaziabad) to support rural development through institutional linkages.

INSTITUTION'S INNOVATION COUNCIL

SLC established Innovation Council (IC) under MoE's Innovation Cell, an initiative launched in November of 2018. The primary mandate of Innovation Cell, MoE is to encourage, inspire and nurture young students by supporting them to work with new ideas. SLC's Innovation Council works towards inculcating the spirit of innovation among students, and develop a start-up ecosystem. IIC has been awarded a prestigious 3-star rating by AICTE.

UNIVERSITY CHEF (SKILL INDIA)

SLC is proud to be the flag bearer of one-of-its-kind programme - the 'University Chef'. The initiative is in tandem with Govt's 'Skill India' programme. This unique effort is a step to enhance the creativity and application of precise thought process among the students. The Inter-College Event is an inception of the Principal, Prof. Rabi Narayan Kar who provided all the required encouragement to the participants. It invites passionate cooks from various universities to compete against each other in culinary challenges to showcase and develop their cooking skills and win the title of the best chef. The gala event is one of the most awaited events of the University and has won acclaim from all, including celebrated chefs like Nita Mehta., Mukesh Kumar, Veeta Singh and Amit Ghotwal. It is the only event in the university which gives an opportunity to the young Chefs of India to showcase their cooking prowess.

YUVA SPANDANA

The Centre for Skill Development, in collaboration with the Entrepreneurship Cell of the SLC organizes a National Skill Development and Startup Fair: *Yuvaspandana* annually to let the young minds showcase their skills and innovative ideas. The Fest has various competitions like Case Catalyst, Stakeholders Meet, Bulls v/s Bears, Think with the Box, Quiz Buzz and Andhadun wherein different Colleges across the university participate.

EAST DELHI FLOWER SHOW

SLC holds another pioneer event every year – the East Delhi Flower Show. SLC Flower Show hosts Colleges, schools and nurseries of the East Delhi that showcase their floral varieties and species in the month of February every year. Our students not only participate in the flower show but also exhibit some craft work made out of recycled waste. SLC also regularly participates in the Annual Flower Show at the University of Delhi, earning recognition in various categories.

YAMUNA FESTIVAL

SLC celebrates Yamuna Mahotsav every year as a unique cultural and environmental initiative to honor the Yamuna River, the lifeline of Delhi. The festival is held both on campus and at Yamuna Ghat (Kashmiri Gate) and aims to raise awareness about river conservation and ecological responsibility.

ADD-ON- COURSES

The Centre for Skill Development at Shyam Lal College (University of Delhi) has launched its Add-on Courses for the academic year 2025–26. These courses are aimed at equipping students with essential global and industry-relevant skills. The initiative reflects the College's commitment to holistic and practical education. This year, the Centre offers a wide range of Foreign Language Courses, including German, Spanish, French, Chinese, Japanese, Korean, and Italian, available at Certificate, Diploma, and Advanced Diploma levels. These one-year programs are designed to enhance students' global exposure and career opportunities. The College has also collaborated with NIELIT (National Institute of Electronics & Information Technology) to offer several long-term and short-term IT courses in Artificial Intelligence & Machine Learning, 'O' level, CCC, Office Automation, Digital Marketing, etc. These are skill-based programs that cater to today's evolving job market. Additionally, several Courses on Stock Selection through Fundamental and Technical Analysis, Derivatives, and Commodities are being conducted in partnership with NISM (National Institute of Securities Market) and focus on real-time financial analysis skills. With accessible fees and open registration, the courses have already received a positive response from students. The College encourages all students to make the most of this opportunity and enhance their professional profiles.

INNOVATIONS

SLC took a pioneering initiative in 2015-16 by launching a Public Lecture Series and organizing virtual lectures with global experts through Skype. The initiative proved to be a highly enriching experience for both students and faculty members. During the COVID-19 pandemic, the College seamlessly transitioned to Zoom, ensuring uninterrupted academic engagement. Since then, the practice of engaging with eminent scholars and experts through online and hybrid modes has become an integral and enduring feature of the College's academic culture, enriching the learning experience and fostering global academic exchange.

EXTENSION ACTIVITIES

During the course of the year, SLC organized several extension activities such as those for the benefit of students belonging to the under-privileged sections of society, or those meant to celebrate important events in the calendar of the nation. For instance, remedial classes are organized under the aegis of IQAC of the College for students from less privileged sections. Department of English, under the guidance of the Principal Prof. Rabi Narayan Kar, started Spoken English Course for the students of the College in the year 2016-17 which has now become a regular feature of the academic activities in the College. The course is primarily meant for those students who face difficulties and are unable to acquire English language skills properly. The Course runs successfully every semester on six- or four-week basis where the students are given course completion certificates. Students need a mentor not only in the classroom but also outside it. In continuation of its endeavour to ensure holistic development of the students, the College has initiated the Mentorship Programme. All the faculty members have been assigned students from different streams so as to ensure a multi-disciplinary learning experience for the students. The Programme shall allow the students to give vent to their ideas and seek valuable advice from their Mentors regarding their academics as well as career and overall development.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

As per National Assessment and Accreditation Council (NAAC) guidelines every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC becomes a part of the institution's system and works towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. IQAC continuously undertakes numerous activities like FDPs, SDP, workshops, international conferences, symposium, and remedial classes for the overall development of the students.

CENTERS

The College, in its effort to maximize the teaching learning outcome, has established various important centres that offer a unique platform and opportunity to students to have a wholesome learning experience. The important events organized and initiatives taken by these centres have evidently opened the minds of students to new ways of thinking. These centres have taken up cross-cutting issues related to modern lifestyle, gender, caste identity in India, professional challenges, social anomalies etc.

CENTRE FOR INDUSTRY INTERACTION (CII)

The Centre for Industry Interaction (CII) has been set up to promote interaction as well as collaboration of SLC with industry for mutual benefit. The Centre organizes seminars and workshops to guide students on emerging career options, enhance their skills for group discussions and interviews, and invite experts from industry and academia for knowledge sharing. It also makes focused efforts to support the employability and skill development of differently-abled students alongside their peers.

TRAINING AND PLACEMENT CELL (TPC)

With its motto "Drive towards corporate", SLC Training and Placement Cell is committed to provide placement assistance to the students of all courses. In addition to holding on-campus recruitment drives, it also regularly undertakes numerous training programmes, workshops, and Industry-Academia interactions, for the job seeking students. SLC is also member of Internshala through which hundreds of students are benefited with internships.

ENTREPRENEURSHIP CELL (E-CELL)

Founded with the aim to foster and sustain the spirit of entrepreneurship amongst the students, the E-Cell, since its inception has majestically expanded and successfully mentored many budding entrepreneurs. The Cell regularly conducts workshops covering wide areas of the entrepreneurship world. The E-Cell has also developed various other projects like project FOOD FELLOW, project DISHA, project SWABHIMAN, project ZORGO, project INFOLLEGE and project ABHIKALPANA.

CENTRE FOR SKILL DEVELOPMENT (CSD)

The Centre for Skill Development (CSD) at SLC organizes various skill development and soft skill enhancement programmes to promote integrated, employment-oriented education. It regularly conducts workshops, seminars, internships, and industry-linked activities, along with pioneering several add-on courses. CSD has collaborated with reputed national and international organizations such as NIELIT, MeitY GoI, BSE Institute, NISM, SEBI, ICSI, Department of Germanic and Romance Studies and the Department of East Asian Studies, University of Delhi, XAMK (Finland), Turku University of Applied Sciences, and New Holland Agriculture to provide quality exposure to students.

WOMEN DEVELOPMENT CENTRE (WDC)

Since its inception in 2015-16, WDC has taken up cross-cutting issues related to professional challenges and social anomalies etc. WDC started gender counseling on bimonthly basis from 2016-17 session so as to provide a platform for students (both girls and boys) where they can unhesitatingly articulate and clear their gender and other behavioral related queries. The Cell serves as a forum for discussion, reflection, and awareness on a wide range of issues including gender, sexuality,

inequality, discrimination, empowerment, and crimes against women.

CENTRE FOR HOLISTIC DEVELOPMENT (CHD)

SLC is very sensitive towards societal changes and moral values. Centre for Holistic Development (CHD) aims to provide a holistic environment for wholesome balanced development of our students. The Centre focuses on developing and imparting integrated education to our students to make them ethically strong, morally responsible and emotionally balanced. Through its various initiatives, the Centre has consistently endeavored to groom young scholars, enriching them with empathy and moral consciousness so that they become the torch bearers of the "Human Values" movement.

GANDHI STUDY CIRCLE (GSC)

The College conceptualized Gandhi Study Circle (GSC) to revisit, review and debate Gandhi and his teachings with the young generation. It aspires to inculcate Gandhian values and ideals such as simplicity and selflessness among the students. The Circle works on the principle of reviving Gandhian teachings on the integrated view of life that unites the whole of humanity beyond the forces of religion and communalism.

AMBEDKAR STUDY CIRCLE (ASC)

SLC took another significant initiative by setting up an Ambedkar Study Circle (ASC). Over the years, ASC has undertaken numerous initiatives to channelize the energy of today's youth towards newer ways of thinking. Since its inception, ASC has been at the forefront in spreading humanistic and egalitarian ideas and values as championed by Dr. B.R. Ambedkar.

ECO CLUB

With the mission of "Go Green initiative", the Eco Club is committed to spreading the environment conservation message in the society. The club also seeks to protect nature's heritage by educating and spreading awareness about good environmental practices like ban on plastic, proper dumping of garbage, planting of trees etc.

ENACTUS

Enactus SLC is a chapter of Enactus India and was formed in the year 2016. Since then, team Enactus has completed several socially relevant projects. Following the valuable guidance from the Business Advisory Committee, Enactus is committed to use all of their efforts and entrepreneurial actions to bring out a change that would positively affect each member of the society, bring smiles, empower people and create a more sustainable world.

NORTH EAST CELL

SLC North East Cell is a vibrant space for all students from the North Eastern states where they find it a home for exchanging and sharing the rich ethnic and cultural plurality of the region. The NE Cell also curates an annual cultural extravaganza that showcases students' talent in co-curricular fields and encourages them with the spirit of inclusion and equality achieved through recognition of honors and achievements in the fields of Sports/Physical Education, Dance, Music, Food & Fashion.

CENTRE FOR FUTURE STUDIES (CFS)

The Center for Future Studies (CFS) aims at promotion of multidisciplinary research and industry-academia linkages in the areas of AI & Robotics, Data Science & Machine Learning, Block Chain and Cyber Security. The Department of Computer Science and other departments join hands to train and prepare students for the future. The center promises to further strengthen the industry-academia relationship and imbibe a research culture showcasing prominent domains in the field of computer science and related disciplines.

ACADEMIC RESOURCES

CLASS ROOMS

SLC has modern classrooms and tutorial rooms that are well-equipped to support integrated learning. ICT-enabled classrooms incorporate digital tools, projectors, and high-speed internet to facilitate interactive instruction and provide an engaging, student-centred learning environment.

GREEN AND OPEN-AIR PATHSHALA

The Green and Open-Air Pathshala is a unique academic space that blends traditional Indian learning with open-environment engagement. It promotes eco-friendly, experiential education in a natural setting, encouraging reflective thinking and a deeper connection with Indian knowledge systems.

LIBRARY

The library is the repository of knowledge that is essential to any higher education institution. It not only provides an additional space to the students and teachers to interact with each other but also facilitates in connecting them to the world of books, journals and the information industry of the newly emerging world system. SLC has a fully equipped library with more than 56000 books, journals, magazines, e-resources. The library features WEB OPAC system and DELNET which makes it easier for students and faculty to find books in the library

and elsewhere. DULS (Delhi University Library System) provides access to e-resources such as e-journals, eshodhSindhu, eshodhGanga etc. The College library also has NLIST membership (UGC- INFLIBNET) that allows users access to a huge database of e-resources. Our library is fully automated, and RFID technology will be implemented in the near future.

The Knowledge Resource Centre of the College provides students and teachers access to e-resources, world's best database, e-journals, e-books and reports. It has a seating capacity of 50 people. Each cubicle has its own computer system. Practical classes for students are also conducted here. Additionally, the state-of-the-art Reading Room provides a spacious and quiet environment, accommodating a large number of readers for focused academic

engagement. The library also has an important designated facility for the PwBD students of the College in the form of PwBD Facilitation Centre which has dedicated computer systems with all the relevant software installed so as to facilitate the smooth imparting of education to PwBD students.

MULTI-PURPOSE HALL & CONFERENCE CENTRE

The air-conditioned Conference Hall in the New Academic Block is equipped with the latest ICT facilities and has a seating capacity of 100. Additionally, the newly constructed Multi-Purpose Hall (MPH) in the Centenary Block is designed to

accommodate up to 150 attendees. Both venues are regularly used for academic extension activities, seminars, and conferences organized by the College.

BOARD ROOM

The SLC boardroom, with seating for fifty people and equipped with cutting-edge audiovisual and video conferencing facilities, is a professionally designed venue for important events and activities.

COMMITTEE ROOM & CONFIDENTIAL ROOM

A newly constructed Committee Room is designated for official meetings, discussions, and decision-making sessions held by College authorities and various committees. The College also has a Confidential Room reserved for handling sensitive information, ensuring privacy and security for all confidential matters.

INNOVATION PLAZA & DEPARTMENTAL ROOMS

The Innovation Plaza is a dedicated space designed to foster creativity, collaboration and entrepreneurial spirit among students and faculty. A newly constructed Departmental Rooms offers a conducive environment for teachers to engage in academic discussions, conduct research, and mentor students.

AMPHITHEATRE

The SLC Amphitheatre reflects the spirit of immersive learning in harmony with nature. Designed as a vibrant space for cultural expression, dramatics, and interactive sessions, it fosters creativity, communication, and holistic development.

MEDICAL FACILITY

The College has a dedicated medical room. A physician visits the College thrice a week. The students may also avail the W.U.S. (World University Service) Health Centre facility in B.R Ambedkar College.

COMPUTER CENTRE

The College has computer laboratories and a dedicated Knowledge Resource Centre. SLC boasts of state-of-the-art computer centres equipped with servers, printers, desktops, laptops, LCD projectors and scanners of the latest configuration. Additionally, three computer labs

well- equipped with modern amenities are functional in the College. All the operations in the College library as well as the administrative office are automated. The Computer Labs of the College offer the best in terms of hardware and software resources to the students and the faculty.

SCIENCE LABORATORIES

SLC strives to provide the best of facilities to its students with various science laboratories. The Smart Semiconductor lab, along with the Botany, Chemistry, Physics, and Electronics labs, equipped with the best equipment and efficient support services, offers ideal conditions for science students to carry out their practical work. These labs are not only spacious and well-ventilated but also provide an ideal environment to students for academic excellence. A Botany Living Laboratory was developed for hands-on botanical exploration and experimentation, where students cultivate curiosity and grow knowledge through outdoor experimentation.

GIRLS COMMON ROOM

SLC very much recognizes the need for exclusive private spaces for its students, in view of the fact that students have to spend several hours in the College, not all of it needs to be inside the classroom. This makes the Girls Common Room an important area of the College. Equipped with very good recreational facilities, the GCR has recently been refurnished. The GCR Committee of the College took the pioneer step to install a Sanitary Napkin Vending machine in the GCR in collaboration with CSR Research Foundation.

SECURITY ARRANGEMENTS

Located in the heart of East Delhi and with all major means of transportation available right in front, the College has the great advantage of being located at a completely safe and secure part of the city. The fact that the Shahdara Police Station is situated just adjacent to the College further enhances this sense of security. Further, the posting of police officers very close to the College premises imparts a sense of safety and security to the students traveling to and from the institution. Within the premises, the College tries to instill values of respect and mutual trust among all sections of the College in which everyone can work without fear and suspicion towards the achievement of their goals. Nevertheless, the College does not take security within the premises for granted, and keeps its infrastructure and human resources operating at all times to detect any security breaches.

CAFETERIA

The Food Court, the students' favorite hangout, is where the action is. With lots of healthy food at reasonable prices, this is a place where students from all streams meet, interact and confabulate over steaming cups of tea/coffee.

BEST PRACTICES

POWERED BY RENEWABLE ENERGY

The Solar Power plant of the College is fully functional and generates power covering 50% of our peak demand. The Solar Power plant, installed in the College, is a collaborative initiative with IPGCL, Govt. of NCT of Delhi wherein the said govt. agency has borne the full cost of the installation of the Solar panels in the College. We have been saving power as well as financial resources since the plant became fully functional. The College also practices regular switch off drives so as to save and conserve energy. This successful energy conserving step could be seen as an achievement in itself.

COMMUNITY OUTREACH PROGRAMME

Under the said Programme, we have successfully adopted Shahdara Mandi and Hanuman Seva Basti, Jhilmil to promote measures like use of recycled products, no use of plastic bags, creating awareness about various Government welfare schemes and have successfully conducted health check.

COUNSELLING SERVICES

The institution's Head consistently engages with students via virtual or physical platforms to address their concerns regarding the uncertainties surrounding during the academic session. Counselling services, manned by professional counsellors and doctors, are readily available to assist students with anxiety and other issues. Regular counselling sessions are organised through the Women's Development Centre (WDC). Following an open-door policy, the Principal remains accessible to students during office hours.

REMEDIAL CLASSES

SLC regularly conducts remedial classes, every semester, for students in all the departments that largely benefit students in resolving their doubts and difficulties related to their respective courses and papers.

SAP (SWACHHTA ACTION PLAN) UNDER MoE

Under the auspices of the Ministry of Education (MoE), SLC achieved a major milestone in 2020 by being recognized as a Swachhta Action Plan (SAP) institution. Within this framework, SLC is committed to various essential swachhta initiatives encompassing sanitation and hygiene, waste management, water management, energy management, and fostering greenery.

ADOPTION OF VILLAGES

SLC is a participating institute in the Unnat Bharat Abhiyan and has adopted 5 villages in Uttar Pradesh: Dhitora (Baghpat), Nithora (Ghaziabad), Chirodi (Ghaziabad), Jawli (Ghaziabad), Kotwalpur (Ghaziabad). Under this initiative, the UBA team conducted extensive surveys and engaged with villagers, Pradhans, and Panchayat Samitis to identify local challenges. Based on these findings, the College has organized awareness campaigns on financial literacy, sanitation, water conservation, waste management, and other key community initiatives.

GREEN INITIATIVES

Environmental conservation has long been a central focus at SLC, which is recognized for its green ambience and vibrant floral displays. Students and faculty members collaboratively work towards cultivating, maintaining, and enhancing the College's eco-friendly environment.

Key initiatives include:

- Introduction of a Green and Open-Air Pathshala to promote learning in a natural setting.
- Establishment of the Botany Living Laboratory.
- Upgradation of the Botany Laboratory.
- Seasonal tulip blooms promoting biodiversity and sustainable campus beautification.
- Experiential learning activities enabling students to engage in sustainable cultivation practices in the College's Experimental Garden.
- Birdhouse installation project to support a more sustainable and biodiverse campus ecosystem.
- Enhancement of floral biodiversity across the campus.
- A lush green campus comprising four curated lawns, one garden, two green grounds, two nurseries, one polyhouse, three herbal gardens, two rose gardens, one cactus garden, one kitchen garden, over 700 trees, and a dedicated student activity area for learning and hands-on gardening activities.
- Regular plantation & maintenance drives within the campus and surrounding areas.
- A tobacco-free & smoke-free campus, with a firm commitment towards reducing plastic usage.
- Regular tree plantation drives to improve air quality.
- On-site compost pits for recycling garden waste and promoting organic gardening practices.
- Promotion of battery-powered vehicles and energy-saving practices.
- Prohibition of burning garden waste to reduce air pollution.
- Systematic e-waste management through authorized recyclers as per official guidelines.
- Installation of filtered water coolers across the campus.
- Development of pedestrian-friendly pathways to reduce vehicular movement.

- Installation of a solar power plant meeting 50% of the College's peak energy requirements.
- Continuous efforts towards carbon neutrality through extensive green spaces and tree cover.
- Installation of three LED screens for displaying notices and announcements.
- Upgradation of the campus lighting system with energy-efficient LED lights.
- Promotion of in-house composting and use of natural materials by the Garden Committee.
- Fully operational Sewage Treatment Plant (STP) with a capacity of 75,000 litres.

SEWAGE TREATMENT PLANT

The College has a sewage treatment plant of 75,000 litres which is fully operational.

RAIN WATER HARVESTING

As an institution committed to zero water wastage and responsible water conservation, SLC has implemented a rainwater harvesting system to harness and preserve every drop of this precious resource. The initiative reflects the College's commitment towards sustainable practices and efficient water management.

RECYCLING PAPERS

SLC is sensitive towards the cause of conserving natural resources and promotes the culture of respecting nature. SLC, in collaboration with NGO Jaagruti, has been recycling waste papers and in return has received numerous reams of paper through the year.

LED LIGHTS

The usage of LED lights has reduced the power consumption heavily. The installation of LED lights following the installation of solar panels has helped the College to save its financial resources. In addition to it, switch-off drills are carried out on a regular basis to make the SLCians aware and alert regarding energy consumption and saving.

ASSESSMENT AND FEEDBACK

The College has achieved success in implementing a structured feedback system aimed at addressing student concerns effectively. To date, we have completed ten cycles of gathering comprehensive feedback from students, analyzing issues related to academics, infrastructure, and facilities, and taking necessary steps to address them. Additionally, the IQAC gathers feedback on the curriculum from various stakeholders. Following this, an action taken report is prepared and discussed with the respective departments.

DIGITAL PRACTICES

The College has adopted digital practices across all administrative and student services. It conducts virtual lectures and encourages faculty to record sessions using Screencast-O-Matic. Student ID cards now function as Single Sign-On (SSO) cards for library access, campus entry, and planned bill payments. Staff tasks are managed via shared Google sheets, and an ERP system streamlines operations. A real-time LED display keeps faculty informed of schedules and updates.

INCLUSIVE EDUCATION AND DEVELOPMENT

The practice of inclusive education and development serves meaningful benefit to the students as they get to study in a premier Delhi University College. The College gives value-based education to the students and also imparts the right level of professionalism to prepare them for the competitive world outside. Remedial classes, workshops organised by different departments, Placements Cell and Centre for Skill Development, industry interaction through CII give the students enough exposure and feel of the professional world.

OPPORTUNITIES FOR UNDER-PRIVILEGED CHILDREN IN VICINITY

SLC is committed to advancing sports and games in the trans-Yamuna region of Delhi by offering top-notch coaching facilities and opportunities to young, talented players. The goal is to furnish a cutting-edge platform for these individuals to learn, train, and elevate their skills in sports and games, ultimately excelling at national and international levels. In a new initiative, the College provides free and regular coaching to deserving and talented students from nearby schools, aiming to promote indigenous games and raise awareness about the diverse career opportunities available in our national sports.

INFRASTRUCTURE

The College makes continuous endeavor that its infrastructure remains capable of meeting the diverse needs of a healthy educational system in a dynamic environment. In the academic year 2015-16, the College has added an entire new building – the Porta Block – to its existing infrastructure. This building features state of the art facilities including a 100-seater dedicated Conference Hall and Board Room with up-to-date ICT resources. Proudly, the

entire SLC campus is a Wi-Fi zone, offering internet access to every student. As a premier institution, SLC not only provides state-of-the-art infrastructure but also ensures it is accessible to all students and faculty, including those who are differently-abled. The following developments have been undertaken to strengthen the institutional infrastructure:

- The College has undertaken significant infrastructural upgradation through the construction of the second floor in the old building, inaugurated as the Centenary Block. This new addition has substantially enhanced the College's infrastructure by providing new classrooms, a multi-purpose hall, departmental rooms, and two innovation plazas.

- Completion of an operational STP plant.
- Construction of a covered central stage with modern amenities.
- Construction of a larger amphitheater.
- Installation of new paver layers across the campus.
- Upgradation of all three College gates to accommodate the needs of PwBD students.
- Renovation and expansion of the Library with modern amenities.
- Development of the Committee Room & Confidential Room.
- Renovation of the College Office to enhance administrative efficiency.
- Complete renovation of the Staff Room, washrooms, and Principal's office washroom.
- Permanent installation of the National Flag in the College grounds.
- Green grass carpeting across the College grounds.
- Installation of CCTV cameras across the entire campus, including road-facing areas, under MPLADS funding.
- Renovation of Science Labs to improve practical classes and examination environments.
- Construction of two storerooms on the Library roof.
- Development of the IQAC Room and CCTV Control Room.
- Construction of a Green Corridor Pathway in front of the Staff Room, connecting both buildings.
- Installation of LED floodlights atop the building for enhanced visibility of the College name.
- Procurement of an organic waste compost machine as per NGT directives.
- Commissioning of a functional CNG gas pipeline in the campus.
- Establishment of a state-of-the-art Reading Room with substantial seating capacity.
- Installation of a fully functional 50,000-litre overhead water tank to meet campus water needs.
- Establishment of a PwD Facilitation Centre with dedicated computer systems and specialized software to support inclusive education.
- Refurbishment of the Conference Hall with modern facilities.
- Development of four lawns, one garden, two green grounds, two nurseries, one polyhouse, three herbal gardens, two rose gardens, one catus garden, one kitchen garden, over 700 trees and a dedicated student activity area for learning and hands-on gardening activities.
- Availability of a Bank with an ATM on campus.
- Redesigning of the Office layout to streamline administrative functions.
- Complete renovation of the parking area, including new flooring.
- Full renovation of the old building, including six new washrooms and the installation of two lifts.
- Modernization of College infrastructure with lifts and signage that are PwD-friendly.
- Construction of newly furnished reception and waiting areas.
- Construction of a new covered volleyball court in the sports ground to promote student engagement.
- Installation of covered shelters over all water coolers, along with integrated filtered cooling systems.
- Construction of a new meeting/multipurpose room adjacent to the central stage.
- Establishment of a Green and Open-Air Pathshala to foster eco-friendly learning.
- Setup of a Smart Semiconductor Laboratory to support applied research and real-time experimentation in electronics and nanoscience among undergraduate students.

- Development of a Botany Living Laboratory as an immersive outdoor space for hands-on botanical exploration and experimentation.
- Renovation of the Botany Laboratory

EXTRA-CURRICULAR ACTIVITIES

Life at SLC is not about classroom and academics alone, it goes far beyond that. The College believes that participation in an array of cultural and other activities creates a well-rounded personality; confident and socially aware individuals. Students are encouraged to participate in other activities of their interest, and every possible support is made available to them. Participation in extra-curricular activities not only brings diversity and colour to the lives of students, it enables them to shine in their respective fields, get recognition, as well as win prizes and awards from within and outside the College.

The support provided by SLC to students to enable them to excel in the activities of their interest broadly covers two areas. First, all faculty members are required, apart from taking their classes, to guide students in at least one activity that they are comfortable in. Secondly, the College regularly invites scholars, experts and distinguished personalities from various walks of life to enlighten the students and faculty alike on the latest ideas, trends, as well as inputs and guidance for achieving excellence in those fields. This is done under the aegis of different Academic and Cultural Associations/ Societies that exist in the College.

STUDENTS' UNION

SLC students have an active say in all affairs concerning the welfare of the students, and this say is exercised through the Students' Union, which is a body of all the students admitted to the College. This body not only leads to a healthy development of participatory and democratic practices among the students; it also enables them to articulate their needs and demands. Each year students get an opportunity to contest elections and get elected to this body. The Students' Union functions under the overall guidance and supervision of the Students' Union Advisory Committee, and it also organizes the Annual Cultural Festival, consisting of activities like dance, music and fashion show.

NATIONAL CADET CORPS (NCC)

Students at SLC are encouraged to become socially aware and responsible citizens, and the National Cadet Corps (NCC) offers a vibrant platform to cultivate these values. NCC instills discipline, resilience, and a spirit of service in cadets, preparing them to support the community and nation during times of need. SLC's NCC girls actively participate in self-defense and yoga camps, tree plantation drives, and the Save Yamuna campaign. Cadets receive training in rifle shooting, first aid, mountaineering, and trekking, along with regular drills and parades.

NATIONAL SERVICE SCHEME (NSS)

With the motto "Not Me But You," the NSS unit of SLC actively engages youth in various community service activities. Dedicated to societal welfare, the NSS unit regularly conducts community outreach events such as health camps, cleanliness drives, environmental initiatives, and awareness campaigns. NSS seeks to foster a sense of social consciousness, empathy, and leadership skills in participants, encouraging them to actively engage in addressing societal challenges.

SPORTS

Sports, at SLC, ranks as an extremely vital part of students' life, at par with academics. Sports, as a hobby, provides an option to students for healthy and stress-free living, and as a profession, provides an attractive career option to the students who have the discipline to work hard and excel in this area. The College sports boast of not only producing players of University, State and National levels but also of the existence of rich expertise, capable infrastructure and efficient support staff available in-house, apart from hiring coaches and experts for various sports from outside. SLC takes pride in the fact that the College has one of the biggest, lush green and well-maintained sports grounds in the University. All students enrolled in the College can use the ground for various sports activities, events, practices etc. The College students, particularly those enrolled under the Sports quota, have, over the years, displayed exemplary performance in their respective sports. SLC's Inter-varsity. Invitational Hockey Tournament in the fond memory of its Founder Chairman Padma Shri Shyam Lal Gupta ji has already become an integral part of the University's sports calendar. Similar tournaments for other sports are also being planned.

ACADEMIC SOCIETIES

SLC comprises twelve departments, each categorized based on the academic subjects taught by the faculty. These departments include Botany, Chemistry, Commerce, Computer Science, Economics, English, Hindi, History, Mathematics, Physical Education, Physics, and Political Science. Each department has its own Academic Association, which organizes subject-specific seminars, conferences, workshops, and talks, as well as cultural events and inter-departmental. For example, the Economics Association might host a debating competition on an economics-related topic, while the Commerce Association could arrange talks and seminars on marketing, international business, and finance. Literary activities are managed by the English Association or the Hindi Association.

ARTS AND CULTURAL SOCIETIES

The Fine Arts and Cultural Society of the College is exceptionally active. Most of the extra-curricular and cultural activities that students have an opportunity to engage in, are covered under the Fine Arts and Culture Society of SLC. In view of the increasing importance being accorded to activities of this society, starting from Academic Year 2016-17, it has been split into three societies for greater focus,

viz. Fine Arts Society, Fine Arts and Sculpture Society and Debating Society. The Fine Arts Society comprises of the Dance Society, the Music Society and the Theatre Society. These societies offer students diverse platforms to explore, showcase, and enhance their skills in their respective areas of interest.

GREEN COVER

The presence of a lush green campus- with four lawns, one garden, two green grounds, three herbal gardens, two rose gardens, a cactus garden, a kitchen garden, two nurseries, and a polyhouse, adds a beautiful dimension to the College landscape. The Garden Committee is actively involved in implementing green initiatives at the grassroots level. Faculty and students work together to conserve the natural beauty of the campus. The Committee hosted the first “East Delhi Flower Show” in 2019, now an annual event, and regularly participates in the Annual Flower Show at the University of Delhi.

ALUMNI

The Registered Alumni Association of the College is highly active. SLC takes immense pride in its graduates, many of whom have held prominent positions in the public and private sectors and made significant contributions to society. The alumni maintain regular contact with current students, frequently sharing their valuable knowledge and experiences. As part of their continued support, they often invite students to visit their workplaces and offer various career opportunities.

INFORMATION ABOUT COMMON SEAT ALLOCATION SYSTEM (CSAS-2026)

- Allocation-cum-Admission to all UG programmes of UoD for the Academic Session 2026-27 will be through CSAS(UG)-2026 (ugadmission.uod.ac.in) and based on the eligibility requirements stated in BoI(UG)-2026 and other rules as published by the UoD on its admission website (admission.uod.ac.in).
- The CSAS(UG)-2026 rules stated herein will be applicable for provisional admission to all the UG programmes of all colleges of UoD for the Academic Session 2026-27.
- An online platform (ugadmission.uod.ac.in) will be made available for seeking admission through CSAS(UG)-2026. Candidates seeking admission to UoD must fill the CSAS(UG)-2026 form online through this platform only. No application form for CSAS(UG)-2026 can be accepted through offline mode.
- There will be a one-time CSAS(UG)-2026 Application fee (non-refundable):

Category of the Candidate	CSAS (UG)-2026 Application Fee (non-refundable)
UR/OBC-NCL/EWS	Rs.250.00 (Rupees Two Hundred Fifty only)
SC/ST/PwBD	Rs.100.00 (Rupees Hundred only)

A candidate applying for ECA and/or Sports supernumerary quota will have to pay an additional fee (non-refundable) of Rs. 100.00 (Rupees One Hundred only) for each quota.

- Candidate must have passed Class XII or its equivalent from a single recognized board.
- A candidate applying to CSAS(UG)-2026 must have appeared in CUET(UG)-2026, conducted by NTA.
- For admission to UoD, it is mandatory for the candidate to have appeared in CUET(UG)-2026 in those subjects in which s(he) has passed Class XII.
- The online application process will be considered completed only after the realization of the CSAS(UG)-2026 application fee. The candidate must ensure that the CSAS(UG)-2026 application fee

is submitted only through the UoD admission portal (ugadmission.uod.ac.in). CSAS(UG)-2026 application fee deposited via any other link or mode other than the payment link provided by the CSAS(UG)-2026 portal will not be considered under any circumstances. The CSAS(UG) - 2026 application fee will not be refunded under any circumstances.

- The candidate is advised to check whether s(he) satisfies all eligibility criteria for the programme(s) for which s(he) is applying and has also appeared in CUET(UG)-2026 in the relevant Language/s, Domain Specific Subject/s and/or General Test as per the programme-Specific eligibility published in the BoI (UG)-2026.
- If a candidate has applied in CSAS(UG)-2026 but doesn't fulfill the eligibility criteria of any programme offered by UoD, his/her candidature will not be considered.
- If a candidate did not appear in Language/s and/or Domain Specific subject/s and/or General Test, which is mandatorily required for meeting the eligibility criteria of a particular programme, s(he) will not be eligible for admission to that particular programme.
- If all the documents are found to be in order and the eligibility criteria are met by the candidate, the allocated seat will be provisionally approved by the college. In that case, the candidate will have to pay the admission fee within the stipulated time to secure admission.
- Candidates are advised to keep the login credentials, i.e., login ID and password, strictly confidential to avoid misuse. The login credentials, once generated, cannot be changed/ edited under any circumstances.
- The candidate must adhere to the stipulated timelines of all allocation and admission rounds of CSAS(UG)- 2026.
- A candidate whose documents are found to be invalid owing to willful forgery / act of cheating will be debarred from CSAS(UG)-2026.
- The CSAS-2026 is divided in three phases:
 - Phase I – Applying to the University of Delhi
 - Phase II – Filling the Preferences for Programmes and Colleges
 - Phase III – Allocation-cum-Admission Process

Seat Allocation and Admission

On declaration of the allocation result/s, the candidate must login to his/her CSAS(UG)-2026 dashboard for acceptance of the allocated seat, if offered.

It is the responsibility of the candidate to login to the dashboard and check if a seat is allocated in a given round of seat allocation, and if allocated s(he) must complete all admission formalities.

STEP 1 - ACCEPTANCE OF THE PROVISIONALLY ALLOCATED SEAT

- Once a seat has been allocated in a particular round, the candidate must 'Accept' the Allocated Seat before the last date/time specified for the given allocation round. The provision for acceptance of a particular allocated seat will be valid only for the particular round in which the seat was allocated to the candidate.
- In case a candidate is offered multiple seats in a particular round (due to allocation in supernumerary quota), s(he) must "Accept" and take admission in ONLY ONE Allocated Seat.
- Inactivity/no-action will be taken as non-acceptance to the Allocated Seat. It will be treated as a decline to the provisionally allocated seat and the candidate will no longer be able to participate in subsequent regular allocation rounds of CSAS(UG)-2026.
- The allocated seat must be accepted within the stipulated time. Any request through post/fax/WhatsApp/email/ phone calls will not be considered.

STEP 2(A) - ONLINE APPROVAL BY THE COLLEGE

Once the candidate "Accepts" the provisionally allocated seat, the concerned college will verify the eligibility and documents uploaded by the candidate online on the CSAS(UG)-2026 portal. The college will verify the following within the stipulated timeline:

1. Minimum Eligibility of the Candidate.
2. Programme-Specific Eligibility of the Candidate.
3. Subject Mapping: Only those CUET(UG)-2026 Language and/or Domain-specific papers in which the candidate has passed Class XII will be considered.
4. Validity and authenticity of Documents/Certificates submitted by the Candidate.

During the online approval process, if a college seeks more clarity/information from the candidate, it may raise a query to the Candidate (refer to step 2b).

After verification, the college will either 'Approve' or 'Reject' the provisionally allocated seat of the candidate. No application will be left unattended by the colleges.

In Case of Approval:

Once the College accords the approval, the candidate will have to pay the 'Admission Fee' within the stipulated time.

In Case of Rejection:

At the time of online verification, if an application gets rejected, the college will state the reason for rejection. For rejecting an application, the college will indicate any of the following reason/s:

1. Non-fulfillment of the Minimum Eligibility by the Candidate.
2. Not-fulfillment of Programme-Specific Eligibility by the Candidate.
3. Non-fulfillment of the subject-mapping criteria.
4. Not in possession of valid document for OBC-NCL/SC/ST/EWS category.
5. Not in possession of valid document with respect to supernumerary category of PwBD/Orphan/SGC/CW/KM.
6. Failure to respond to the query(ies) raised by the College within the stipulated time.

STEP 2 (B) - RESPOND TO QUERIES (IF ANY) DURING COLLEGE APPROVALS

During the online approval process, if a college raises query(ies) then the candidate must respond online (through the candidate's dashboard) within the stipulated time. Failure to respond to the query(ies) will lead to rejection of the allocated seat and the candidate will be out of CSAS(UG)-2026.

STEP 3 - ADMISSION TO THE PROVISIONALLY ALLOCATED SEAT

After the college accords its approval, the candidate will have to pay the admission fee for the approved seat. The admission process will be treated as complete only after successful payment realization of the admission fee.

If a candidate fails to pay the admission fee within the stipulated time, it will be considered as a cancellation of the provisionally allocated seat. The candidate will forfeit all the rights to the allocated seat and will not be considered for any subsequent regular CSAS (UG)-2026 allocation rounds.

SUBSEQUENT ROUNDS OF ALLOCATION

Based on the availability of the seats that arise due to rejections, cancellations, and withdrawals, the University may announce multiple allocation rounds. UoD will display the vacant seats on its admission website (ugadmission.uod.ac.in) before every allocation round.

All admitted candidates who opt for the "Upgrade" option in a particular round will be considered for the respective CSAS(UG)-2026 allocation round, subject to availability of seats.

All admitted candidates get an opportunity to opt for "Upgrade" or "Freeze" after the successful realization of fees. However, candidates who got their first preference will not get an opportunity for upgrade. The 'Upgrade' and 'Freeze' options will be available to candidates only after the successful realization of the programme fee and will remain accessible until the closure of the respective allocation round.

OPTION 1 - UPGRADE

An admitted candidate can select the 'Upgrade' option, which will allow upgradation to a higher preference where s(he) had taken admission. Admitted candidates who opt for upgrade will be upgraded, subject to the availability of seats and as per the allocation policy.

A candidate who opts for 'Upgrade' can also reorder the Programme + College combinations that were higher in preference than the allocated one. This is a one-time facility.

Choosing the 'Upgrade' option indicates that the candidate wishes to be considered for admission to a higher 'Programme + College' preference in subsequent allocation rounds (if any). If a candidate opts for 'Upgrade' and is allotted a seat in a higher 'Programme + College' preference as per the allocation policy,

the seat currently held by the candidate will be automatically cancelled, and the upgraded seat will be auto-accepted.

In such a scenario:

- (a) If the fee of the new allocated seat is less or equal to the previously allocated seat, the amount available in the wallet of the candidate will be auto-adjusted.
- (b) If the fee of the new allocated seat is more than the previously allocated seat, the candidate must pay the differential amount within the stipulated period. Failure to pay the differential fee will lead to the cancellation of the upgraded seat. Since the previously allotted seat stands automatically cancelled upon upgradation, the candidate will also forfeit the claim to the earlier seat and will no longer be considered for admission in any subsequent allocation rounds, if any.

A candidate who opts for 'Upgrade' will continue to be considered for allocation to a higher 'Programme + College' preference in subsequent regular allocation rounds till s(he) chooses to 'Freeze'. Candidates are advised to regularly check their dashboard for updates and take timely action, wherever required.

The Programme + College Combination in which s(he) had taken admission earlier will never be offered to the candidate in any subsequent round. Similarly, the Programme + College combinations that were below in the preference order at which the candidate had taken admission earlier will never be offered again to the candidate in any subsequent regular allocation rounds.

The upgrade option will not be available for the candidate who was allocated his/her first preference. The upgrade option will not be available to the candidate who had opted for "Freeze".

It is the responsibility of the candidate to keep checking for 'Upgrade' options in all rounds of seat allocations. If a candidate fails or misses the opportunity to choose the 'upgrade' option, for whatever reasons, s(he) will not be allowed to participate in the upgradation process and the University of Delhi will not consider any grievance in this regard under any circumstances.

In case a candidate does not get upgraded, his/her admission to the earlier seat will be retained.

Selecting an upgrade does not mean an assurance of seat in the next/ any subsequent allocation rounds.

Upgradation is subject to:

- a. Programme-Specific Merit
- b. Order of Preference
- c. Availability of seats

OPTION 2 - FREEZE

A candidate who has taken admission on an allocated seat and desires to continue with it, should submit a 'Freeze' request through his/her dashboard. On selecting 'Freeze', such a candidate will never be allowed to opt for "Upgradation."

On selecting 'Freeze', the current admission (Programme + Department/Centre/College) becomes 'frozen' and cannot be changed in any subsequent allocation rounds under any circumstances. Candidate will not be considered for any new allocation.

OPTION 3 - CANDIDATES OPTING FOR NEITHER 'UPGRADE' NOR 'FREEZE'

If an admitted candidate neither opts for 'Upgrade' nor 'Freeze' and remains inactive, the admission taken by him/her will be retained and s(he) will not be considered for upgradation.

Cancellation of Provisionally Allocated Seat/ Admission

1. Failure to 'Accept' the provisionally Allocated Seat within the stipulated timeline will lead to the cancellation of the Allocated Seat.
2. The provisionally Allocated Seat will be canceled if a candidate fails to pay the Admission fees within the stipulated time.
3. Failure to respond to the query(ies) (if raised on the candidate's dashboard) may lead to the cancellation of allocated seat.
4. The provisionally Allocated Seat/ Admission will be canceled if, at any time, any of the document(s)/ certificate(s) is/ are found to be invalid/ fraudulent.
5. The provisionally Allocated Seat/ Admission will be canceled if, at any time, it is found that a candidate does not meet the Minimum Eligibility Criteria as declared by UoD.

A candidate whose provisionally allocated seat/admission is cancelled due to the above-mentioned reasons will forfeit the right to seek admission to UoD.

WITHDRAWAL OF ADMISSION BY THE CANDIDATE

A candidate who has been admitted to a programme but wishes to withdraw from it can do so through his/her dashboard by selecting the 'Withdraw' option and paying a withdrawal fee of ₹ 1000.00 (non-refundable).

A candidate who withdraws his/her admission will forfeit his/her eligibility for admission to UG Programmes of UoD. No further participation in any of the subsequent regular allocation rounds, if any, will be allowed.

The Withdrawal option will remain suspended on the announcement of the Spot Admission round/s (if any).

The entire admission process for UG Programme is online; therefore, any request sent through post/fax/email/WhatsApp/by hand for withdrawal of admission will not be entertained.

MID-ENTRY

Through the provision of Mid-Entry, the candidates who either failed to apply for CSAS(UG)-2026 within the stipulated time (during Phase I) or could not complete Phase II, and are desirous of participating in CSAS(UG)- 2026 can participate (as and when announced by the University). Such candidate can do so by paying a Mid-Entry fee of ₹1000.00 (non-refundable).

Mid-Entry will only be considered after successful remittance of the Mid-Entry fee through the CSAS(UG)-2026 portal.

A candidate who applies to CSAS (UG)-2026 mid-way will not hold any right to claim the seats allocated to candidates who had applied to CSAS (UG)-2026 during the initial stage. Allocation of seats to such candidates may be considered for subsequent rounds (if any), subject to fulfillment of eligibility criteria, availability of seats, and other CSAS(UG)-2026 rules.

Once the seat has been allocated to the candidate who has applied to CSAS(UG)-2026 midway, it will be mandatory for him/her to take admission on the allocated seat. Failure to accept the allocated seat will forfeit the candidate's right to seek admission to UoD.

Merely applying through Mid-Entry does not guarantee an allocation of seat through CSAS(UG)-2026.

Mid-Entry will not be allowed for ECA, Sports, CW Supernumerary Quotas; Performance-Based Programmes (i.e., B.A.(H) Music, B.Sc. (PE, HE & S)) and Practical-based Programme (i.e. BFA).

SPOT ADMISSION

After the completion of regular CSAS (UG)-2026 rounds, if seats remain vacant, UoD may announce Spot Round/s of admission.

Candidates who applied for CSAS (UG)-2026 but are not admitted to any College on the date of declaration of the Spot Admission round can participate in Spot Round/s.

Before the announcement of the first Spot Round, all admitted candidates will get an opportunity to opt for upgrade. The vacancy of seats for a Spot Round will be declared after the completion of upgradation process of the candidates who opted for it, subject to the upgradation rules. Upon commencement of Spot Round no upgradation will be done.

On the announcement of a Spot Round, the dashboard of all admitted candidates will be kept in freeze mode and they will neither be considered for upgrades nor be allowed to withdraw their admissions.

The allocation in the Spot Round will be based on the scores of the candidates who apply in the respective Spot Round. Hence, the minimum allocation score of each Spot Round will be independent of all previous rounds.

To be considered in a Spot Admission Round, the candidate will have to opt for 'Spot Admission' through his/her dashboard.

For every Spot Admission round, the University will display the vacant seats of each Programme. A desirous candidate will have to opt for the Programme + College Combination(s) in which s(he) wishes to be considered.

In Spot Admissions, allocations will be done on the basis of the following criteria:

1. Availability of Seats
2. Programme-Specific Merit
3. Order of Preference of College/s
4. Category
5. Any other allocation rules, policies, or criteria as mentioned in this document (CSAS(UG)-2026), BoI (UG)-2026, or published on the admission website of UoD.

It will be mandatory for the candidate to take admission to the seat allocated in a Spot Admission round. Failure to accept the allocated seat in the Spot Admission round will forfeit the candidate's eligibility for admission to UoD and s(he) will be out of CSAS(UG)-2026.

There will be no option of 'Upgrade' and 'Withdraw' during the Spot Admission rounds.

TIE-BREAKING RULES

In the event of a tie, where two or more candidates have the same CUET(UG)-2026 merit score for a Programme + College combination, the following rules will be applied in the stated order to break the tie:

1. The candidate with a higher percentage of aggregate marks in the Best 3 subjects of Class XII will be given preference.
2. The candidate with a higher percentage of aggregate marks in the Best 4 subjects of Class XII will be given preference.
3. The candidates with a higher percentage of aggregate marks in the Best 5 subjects of Class XII will be given preference.
4. Age of the candidate; preference will be given to the candidate having an earlier date of birth (as mentioned in the Class X certificate).
5. The candidate with a higher percentage of aggregate marks in Class X will be given preference.

REMITTANCE OF FEE

Admission of a candidate will be deemed confirmed only after the successful realization of the admission fee. The admission fee must be paid only through the candidate's dashboard. If the admission fee is not successfully remitted within the stipulated time, the admission will not be considered complete under any circumstances.

For all payments, candidates should use any of these payment modes: Net Banking/Debit Card/Credit Card /UPI.

Virtual Wallet

Upon the successful remittance of the admission fee, a virtual wallet will be created for the candidate.

In case a candidate gets upgraded and the admission fee of the upgraded seat is more than the amount in the virtual wallet of the candidate, s(he) will have to pay the differential amount within the stipulated time. Failure to pay the differential fee amount will be considered as forfeiting the offered seat. This will lead to the cancellation of the allocated seat.

In case the admission fee of the upgraded seat is less than the amount in the virtual wallet of the candidate, it will be auto-debited from the virtual wallet upon receiving approval from the College/Department/Centre.

Payment Failures

In the likely case of payment failure related issues:

1. If the amount is not deducted from the account, the candidate must try paying again before the payment deadline.
2. Candidate must ensure a stable internet connection is used for making the online payment.
3. Candidate must use the correct credentials to make a successful payment.
4. If the amount is deducted, but a notification is not received, the candidate may seek confirmation from his/her source bank.

5. If a successful transaction is confirmed from the source Bank and the payment failure continues to be reflected on the dashboard, in that case, the candidate may contact the ICICI Eazypay payment gateway helpline between 9.30 a.m. to 5:30 p.m., Monday to Saturday (except second and fourth Saturdays) at the following email and mobile number:

Email Address: dupaymentquery@icici.bank.in

Mobile No: +91 7304922057

For queries related to payment, please use the standard format given below:

Candidate Name	Date of Transaction	Transaction ID	Course applied to	Email ID	Mobile no. Entered in UoD application	Nature of Query
####	DD.MM.YYYY	#####	e.g., B.A. (Hons.) Hindi	Registered Email of the candidate	Registered mobile no. of the Candidate	####

REFUND POLICY

Admission Fee on account of withdrawal of the admission by the admitted candidate will be refunded as per the UoD notification dated 01.06.2026 (<https://www.du.ac.in/uploads/2026/01062026-notice-fee-refund.pdf>)

Refunds will not be done for the following under any circumstances:

- a) CSAS(UG)-2026 Application Fee
- b) Mid - Entry Fee
- c) Withdrawal Fee

On the closure of admissions, the refund process will be initiated. The UoD will try to settle the refunds within three months of the closure of admissions.

Refund, if any, will be directed to the account/UPI/ Card from where it has been received. The University is not bound to entertain any requests made on Chargeback Registration /Mid Entry/Withdrawal Fee. Refund requests for unsuccessful payments, if applicable, will only be processed through offline mode after completion of the admission process.

MANDATORY REQUIREMENT OF PHYSICAL VERIFICATION OF ORIGINAL DOCUMENTS

At the conclusion of CSAS(UG)-2026, all admitted candidates must report to the admitted College/ Department/Centre and complete all admission formalities of the concerned College/Department/Centre, including physical verification of the documents/certificates.

Admission of a candidate is purely provisional and is subject to verification of original documents by the respective College/ Department/Centre. The College will recheck all the documents/certificates. During physical verification, if any, document/certificate is found inadequate/insufficient/inappropriate, it will lead to cancellation of the admission, ipso facto. Further, such a candidate will forfeit the opportunity for admission to any UG Programme of UoD for the Academic Session 2026-27.

ADMISSION GRIEVANCE REDRESSAL

Level 1 - College Grievance Redressal Committee

Every College will establish a Grievance Redressal Committee to redress grievances that may arise during admission. In addition, a sub-committee of Grievance Redressal for redressing the grievances of candidates belonging to SC/ST/OBC/EWS/Minority and PwBD categories will also be established. The details of the College Grievance Redressal Committee and the Sub-Committee will be displayed on the website of the College and on the admission website of UoD to facilitate and address the needs/queries of candidates within the stipulated time. Candidates having grievances about admission should first approach the Grievance Redressal Committee of the concerned College.

Level 2 - Central Grievance Redressal Committee

If grievance(s) is/are not resolved within a reasonable time by the college/department/centre, then candidates may approach the Central Grievance Redressal Committee of UoD. This Committee will resolve allocation and admission-related issues of candidates. The details of the Central Grievance Redressal Committee will be displayed on the admission website of UoD.

If a grievance is found relevant and genuine, and if seats in a specific Programme + College combination have been filled, then such a candidate will be offered a supernumerary seat. The decision(s) by the concerned authorities with regard to grievances shall be final and binding.

Admission grievances related to ECA, Sports supernumerary quota, and CW will be redressed by the respective committees of UoD.

Details of Undergraduate Curriculum Framework (UGCF) under NEP 2020

National Education Policy (NEP)-2020 has been framed to facilitate multiple entries and exit from a chosen course and leads to the holistic development of students so as to make them industry ready through implementation of Undergraduate Curriculum Framework- 2022 (UGCF). Such an approach seeks to provide students with quality learning experience, where they observe, analyze and learn. The following objectives of NEP are kept in perspective while framing UGCF:

1. To promote each student's holistic development in both academic and non-academic spheres;
2. To provide flexibility to students so that learners have the ability to choose their learning trajectories and programmes, and thereby choose their paths in life according to their talents and interests;
3. To eliminate harmful hierarchies among disciplines/fields of study and silos between different areas of learning;
4. Multidisciplinary and holistic education to ensure the unity and integrity of all knowledge;
5. To promote creativity and critical thinking and to encourage logical decision-making and innovation;
6. To promote ethics and human & Constitutional values;
7. To promote multilingualism and the power of language in learning and teaching;
8. To impart life skills such as communication, cooperation, teamwork, and resilience;
9. To promote outstanding research as a co-requisite for outstanding education and development.

Details of UGCF under NEP

1. **Academic Credit:** It is a unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching (lecture or tutorial) or two hours of practical work/field work per week.
2. **Courses of Study:** It indicates pursuance of study in a particular discipline. Every discipline shall offer different categories of courses of study, viz. Discipline Specific Core courses (DSCs), Discipline Specific Electives (DSEs) and Generic Electives (GEs), Ability Enhancement Course (AEC), Skill Enhancement Course (SEC) and Value Addition Course (VAC).
 - a) **Discipline Specific Core (DSC):** It is a course of study, which should be pursued by a student as a mandatory requirement of his/her programme of study. DSCs shall be the core credit courses of that particular discipline which will be appropriately graded and arranged across the semesters of study, being undertaken by the student, with multiple exit options as per NEP 2020. The DSCs specified in the framework would be identified by the concerned Department as core courses to be taught in a Programme. For example, for award of single discipline specific Honours degree, such as B.Com. (Honours), B.A. (Honours) English, B.Sc. (Honours) Physics and similar such programme, DSCs shall be the core courses of Commerce, English and Physics respectively.

Types of Courses	Description
Discipline Specific Compulsory (DSC) Course	A mandatory paper from the chosen course
Discipline Specific Elective (DSE) Course	An elective paper from the chosen course
AECC (Ability Enhancement Compulsory Course)	Knowledge enhancement through different areas of studies like Literature, environment; usually a compulsory paper offered to all the courses alike
SEC (Skill Enhancement Course)	An elective paper for hands-on-training, proficiency and a certain set of KSAs (Knowledge, Skill and Abilities).
GE (Generic Elective)	An elective paper from the departments other than the department where the admission is sought. For instance, a B.Com (Hons.) student may opt for a GE paper offered by the Department of Economics or English.
VAC (Value Added Course)	A new type of paper in NEP 2020 with an objective of personality development, communication and inculcating a knowledge about Indian culture, society.

However, to pursue Honours degree programme in a 'Field of Multidisciplinary courses of Study' (rather than a single discipline) such as B.Sc. (Honours) Life Sciences, B.A. (Honours) Social Sciences/Humanities, the DSCs shall comprise of core credit courses of more than one discipline. For example, for B.Sc. (Honours) Life Sciences programme, a student shall study credit courses of three disciplines i.e., Botany, Zoology and Chemistry. DSC 1 may be of Discipline A1 (say, Botany), DSC 2 may be of Discipline B 1 (say, Zoology) and DSC 3 may be of Discipline C 1 (say, Chemistry). However, the fourth year of such honours degree programme shall be devoted to the study of only one discipline and hence the DSC courses in the VII and VIII semesters shall be of Discipline A/B/C and not a combination of these three disciplines.

- b) **Discipline Specific Elective (DSE):** It shall be a pool of credit courses of that particular discipline (single discipline programme of study) or those disciplines (multidisciplinary programme of study), as the case may be, which a student chooses to study from his/her particular discipline(s). There shall be a pool of DSEs from which a student may choose a course of study. The DSEs specified in the framework would be identified by the concerned Department as elective courses to be taught in a Programme. For example, to pursue B.Sc. (Honours) Physics, DSEs chosen should be from a pool of DSEs of Physics. Similarly, to pursue B.Sc. (Honours) Life Sciences programme, the DSEs chosen should be a pool of courses of DSEs of Botany, Zoology and Chemistry, the core subjects for this programme of study.

However, to pursue Honours degree programme in a 'Field of Multidisciplinary courses of Study' (rather than a single discipline) such as B.Sc. (Honours) Life Sciences, B.A. (Honours) Social Sciences/Humanities, in the fourth year of such honours degree programme in the VII and VIII semesters, the student shall be required to choose DSEs from any one of the Disciplines A/B/C and not a combination of these three disciplines.

- c) **Generic Elective (GE):** It shall be a pool of courses which is meant to provide multidisciplinary or interdisciplinary education to students. GEs shall consist of a pool of courses offered by various

disciplines of study (excluding the GE's offered by the parent discipline), in groups of odd and even semesters, from which a student can choose. The GE's specified in the framework would be identified by the concerned Department as GE's to be taught in a Programme. In case a student opts for DSEs beyond his/her discipline specific course(s) of study, such DSEs shall be treated as GE's for that student.

- d) **Ability Enhancement course (AEC), Skill Enhancement Course (SEC) & Value Addition Course (VAC):** These three courses shall be a pool of courses offered by all the Departments in groups of odd and even semesters from which students can choose. A student who desires to make Academic Project/Entrepreneurship as Minor has to pick the appropriate combination of courses of GE, SEC, VAC, & Internship/ Apprenticeship/Project/ Community (IAPC) which shall be offered in the form of various modules as specified in the scheme of studies.

- (I) AEC courses are the courses based upon the content that leads to knowledge enhancement through various areas of study. They are Language and Literature and Environmental Science and Sustainable Development which will be mandatory for all disciplines.
- (ii) SEC are skill-based courses in all disciplines and are aimed at providing hands-on training, competencies, proficiency and skills to students. SEC courses may be chosen from a pool of courses designed to provide skill-based instruction. Every discipline may provide skill-based courses, some of which may be offered to students of its discipline while the rest can be open to students of all other disciplines.
- (iii) VAC courses are common pool of courses offered by different disciplines and aimed towards personality building; embedding ethical, cultural and constitutional values; promote critical thinking, Indian Knowledge Systems, scientific temperament, communication skills, creative writing, presentation skills, sports & physical education and team work which will help in all round development of students.

3. MAJOR DISCIPLINE

- a) A student pursuing four-year undergraduate programme in a specific discipline (Core course) shall be awarded an appropriate Honours degree with Major in a Discipline on completion of VIII Semester, if a student secures in that Discipline at least 50% of the total credits i.e., at least 88 credits in that Discipline out of the total of 176 credits. Student shall study 20 DSCs and at least 2 DSEs in eight semesters.

For instance, a student who pursues B.Com. (Honours) shall earn the minimum 88 credits from 20 DSCs and at least two DSEs in order to get Major in Commerce.

- b) A student pursuing four-year undergraduate programme in more than one discipline as Core Course (for example B.A. Social Sciences/ Humanities, B.Sc. Life Sciences, B.Sc. Physical Sciences, B.Sc. Mathematical Sciences, B.Com. and such other programmes) shall be awarded appropriate Honours degree with Major in a Discipline on completion of VIII Semester, if a student secures in that Discipline 80 credits out of a total of 176 credits. Student shall study 6 DSCs and at least 3 DSEs in that discipline in the first six semesters and 2 DSCs, 6 DSEs and write dissertation in that discipline in the VII and VIII semesters. For instance, a student who pursues four-year B.A. (Honours) Social Sciences/Humanities shall be eligible for Major in History, on completion of VIII semester, if a student earns minimum 80 credits from 8 DSCs and at least 9 DSEs of History and writes dissertation on a topic related to History.

4. MINOR DISCIPLINE

A student mentioned at 3(a) above may be awarded Minor in a discipline, on completion of VIII Semester, if a student earns a minimum 28 credits from seven GE courses of that discipline. For example, if a student pursuing B.A. (Honours) History chooses seven GE courses of Political Science out of a total of ten GE courses and writes dissertation, students shall be awarded on successful completion of VIII Semester, Major in History and Minor in Political Science.

A student mentioned at 3(b) above may be awarded Minor in a discipline, on completion of VIII Semester, if a student earns minimum 28 credits from six DSCs and one DSE of that discipline. For example, a student pursuing four-year B.A. (Honours) Social Sciences/Humanities with Major in History (after securing at least 80 credits in History), may be awarded Minor in Hindi if a student earns 28 credits from six DSCs and one DSE of Hindi (up to VI semester), on successful completion of VIII Semester.

This definition of Minor is independent of GEs for which there is a requirement of 28 credits to be treated as Minor.

Further, in case a student opts for two disciplines such as Physics and Chemistry instead of three disciplines such as Physics, Chemistry and Mathematics, major and minor shall be determined as per credits earned in the respective courses of study. The concept of Minor is relevant only when there is a Major discipline.

*In case there is no end term practical examination for 4 credit course, which has only practical component, this mark shall be added to Continuous Assessment of the Practical and the total of the CA for Practical shall be 120.

CA: Continuous Assessment

IA: Internal Assessment

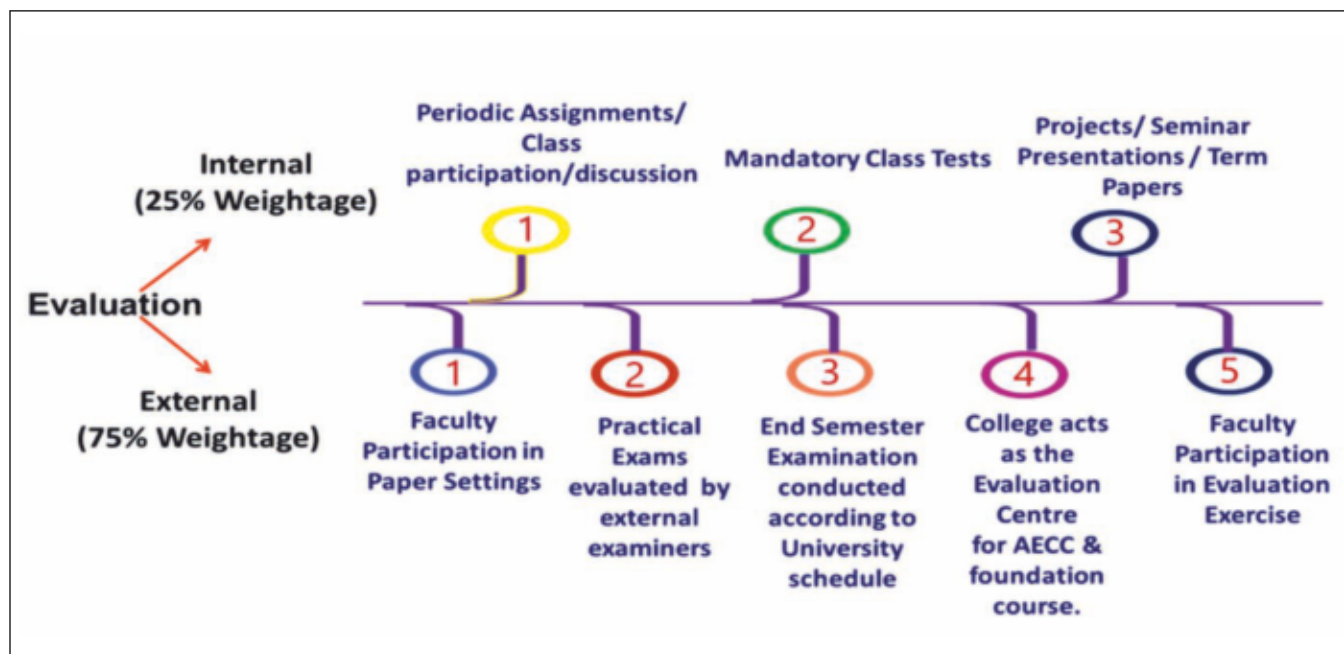

Figure: Continuous Assessment and Evaluation

- Practical marks for courses of total four credits, shall comprise of
 - (i) Continuous evaluation (25%)
 - (ii) End-term practical examination (50%)
 - (iii) viva-voce (25%)
- Practical marks for courses of total two credits shall comprise of
 - (i) Continuous Evaluation (50%)
 - (ii) End-Term practical/ written exam (25%)
 - (iii) viva-voce (25%)
- The variance of the total marks in various combinations of Lecture Theory Practical (LTP) structure shall be aligned with the help of “weighted average” calculated through an appropriately devised formula for conversion of marks to grades.
- Internal assessment shall consist of marks secured in class tests, assignments/ presentations and attendance. For instance, for an Internal assessment of 30 marks, Class tests shall comprise of 12 marks, Assignments/ Presentations/ Project/ Activity done as component of the Tutorial shall comprise of 12 marks and attendance shall be 6 marks.
- For continuous mode of assessment, minimum attendance required is 66%.
- If a student fails in continuous mode of assessment, the student shall be required to take readmission in the course to clear the paper/course.
- Under UGCF, the students are assessed following a system of grades, calculated on the basis of Cumulative Grade Points Average (CGPA). Such CGPA is taken as a consolidated score of all the semesters on a scale of 0 to 10, classification of which is presented below:

Table: Classification of Grades

Grade		CGPA
O	Outstanding	10
A+	Excellent	9
A	Very Good	8
B+	Good	7
B	Above Average	6
C	Average	5
P	Pass	4
F	Fail	0

Student Related Important Information

IDENTITY CARD

Every student is issued an Identity Card by the college immediately after admission. Student is expected to carry his/her identity card with him/her at all times. Student will have to produce the same whenever required to do so by any member of the College staff in the college premises or outside or when he/she visits the college office for payment of fees or for any other purpose or when he/she goes to the College Library. If the identity card is lost, a fee of Rs. 100/- will be charged for issuing a duplicate card.

ATTENDANCE REGULATIONS

Every student must complete at least two-thirds attendance of the total lectures/practicals held during the academic year to be eligible to appear in the University Examination failing which the students would not be allowed to appear in the examination. Students are governed by the rules and regulations laid down by the University in its Ordinance VII.

Parents/guardians are expected to know the status of attendance of their ward at the end of each semester. The students falling short of attendance at the end of each semester are notified by the College Students Attendance Committee.

UNIVERSITY EXAMINATION

University of Delhi holds Examination/s for different courses for the final assessment of the students at the end of each semester. For details, students should regularly check the college notice board as well as college/University website.

Note: No student shall be deemed to have qualified for appearing in the University examination unless the student fulfils the required attendance rules and other conditions.

MIGRATION

1. As per University Rules, no migration is allowed in the First Year.
2. Migration to the II year and III Year from other Universities and Colleges may be allowed as per University Guidelines, subject to availability of seats and minimum percentage of marks as decided by the College.

DISCIPLINE OF THE COLLEGE

1. Students are expected to maintain a high standard of discipline and shall endeavor to promote the reputation of the Brand SLC and to inculcate camaraderie, mutual respect and healthy fellow feelings.
2. Student against whom disciplinary action has been taken may not be granted re-admission. Such a student, apart from disciplinary action against him/her, will be liable to forfeit any prizes won or position held, if so, decided by the College Proctorial Board. The College has a very active Proctorial Board and presently Mr. Sanjeev Kumar, Department of Economics is the convenor of the Board. Students may contact the Proctorial Board for any kind of information, assistance, and emergency. The college has also deployed a very active security agency and in case of any assistance or emergency, students may contact the security supervisor at his office near the college gate (All emergency/helpline numbers are displayed at the college gate).

2. Any individual or collective act or practice of ragging constitutes gross indiscipline and shall be dealt with under this Ordinance.
3. Ragging for the purposes of this ordinance, ordinarily means any act, conduct or practice by which dominant power or status of senior students is brought to bear on students freshly enrolled or students who are in any way considered junior or inferior by other students; and includes individual or collective acts or practices which:
 - a) Involve physical assault or threat to use of physical force.
 - b) Violate the status, dignity and honour of women students.
 - c) Violate the status, dignity and honour of students belonging to the scheduled caste and tribe.
 - d) Expose students to ridicule and contempt and affect their self-esteem.
 - e) Entail verbal abuse and aggression, indecent gestures and obscene behaviour.
4. The Principal of a College, the Head of the Department or an Institution, the authorities of college, or University Hostel or Halls of Residence shall take immediate action on any information of the occurrence of ragging.
5. Notwithstanding anything in clause above, the Proctor may also suo-moto enquire into any incident of ragging and make a report to the Vice-Chancellor of the identity of those who have engaged in ragging and the nature of the incident.
6. The Proctor may also submit an initial report establishing the identity of the perpetrators of ragging and the nature of the ragging incident.
7. If the Principal of a College or Head of the Department or Institution or the Proctor is satisfied that for some reason, to be recorded in writing, it is not reasonably practical to hold such an enquiry, he/she may so advise the Vice-Chancellor accordingly.
8. When the Vice-Chancellor is satisfied that it is not expedient to hold such an enquiry, his/ her decision shall be final.

9. On the receipt of a report under Clause (5) or (6) or a determination by the relevant authority under clause (7) disclosing the occurrence of ragging incidents described in Clause 3(a), (b) and (c), the Vice-Chancellor shall direct or order rustication of a student or students for a specific number of years.
10. The Vice-chancellor may in other cases of ragging order or direct that any student or students be expelled or be not for a stated period, admitted to a programme of study in a college, departmental examination for one or more years or that the results of the student or students concerned in the examination or examinations in which they appeared be cancelled.
11. In case any students who have obtained degrees or diplomas of the University of Delhi are found guilty; under this Ordinance, appropriate action will be taken under Statute 15 for withdrawal of degrees or diplomas conferred by the University.
12. For the purpose of this Ordinance, abetment to ragging whether by way of any act, practice or incitement of ragging will also amount to ragging.
13. All institutions within the University of Delhi system shall be obligated to carry out instructions/directions issued under this Ordinance, and to give aid assistance to the Vice-Chancellor to achieve the effective implementation of the Ordinance.
