# **Title: Report on Treasure Trek by Centre of Industry Interaction (CII)**

**Date: April 19, 2024**

**Venue: College Campus**

**Participants: 15 teams**

**Brief Description:** The CII successfully hosted a Treasure Trek event on April 19, 2024, within the college campus. With 15 enthusiastic teams participating, the event proceeded seamlessly, reflecting the meticulous planning and execution by the organizing committee. The active involvement of the teams added depth and excitement to the occasion, underscoring its success.

- **Rules and Regulations:**

1. The final decision rests with Team CII/Committee; no appeals will be considered.
2. Respect the environment and abide by all local regulations.
3. Teams must stick together and strictly follow the designated route.
4. Cheating or seeking external assistance is strictly forbidden.
5. Each team should comprise two to four members.

6. In case of emergencies, promptly contact the event organizers.

**Elimination Process:** The first round serves as an elimination stage. Only the top five teams from the first round will advance to the second round. A 15-minute break will be provided between the first and second rounds.

- **Post Event:**

Following the conclusion of the event, a post-event award ceremony was held to recognize and reward the winners. Certificates, medals, and goodies were presented to the winners by the teachers and organizers. The certificates served as a testament to their achievement, while the medals symbolized their victory and distinction in the competition. Additionally, the goodies served as gestures of appreciation and encouragement for their hard work and dedication.

Winners

- **Ending Note:**

The Treasure Trek event proved to be a remarkable triumph, owing to the collective endeavors of the organizing committee, participants, and attendees. This event not only offered an avenue for adventure but also nurtured a sense of unity and fellowship among all involved. Looking ahead, CII aims to capitalize on the triumph of the Treasure Trek by orchestrating additional captivating events that encourage exploration and academic achievement within the community.
