

### Workshop on “Journey from Ordinary to Extraordinary”

**"Sky is not the limit for the one who is determined"**

A Workshop was organised by Centre for Skill Development, Shyam Lal College, University of Delhi, on the topic "**Journey from ordinary to extraordinary**" on 29th April, 2022. The session was presided over by respected Principal Sir, Prof. Rabi Narayankar who firstly commended all the students for their high spirits and continuous efforts even during the most difficult times. He appreciated each one of the students' efforts and gave them his warmest blessings for their future.

This session was addressed by Dr Mohd Shoeb, Associate Professor, Department of commerce, Zakir Husain Delhi College, University of Delhi, in which he analysed and marked the importance of some golden rules to achieve success and become extraordinary in life such as honesty, responsibility, self actualization, and patience. He also encouraged everyone to ask themselves some crucial questions each morning and to appreciate themselves; he even used a famous saying, "The goal is not to live forever but to do something that will," to demonstrate how our actions are the only thing that lasts forever in this world.

He guided and inspired the attendees with his great knowledge and experience to get them to successfully become future leaders. All students from all universities, courses, and years were welcomed to attend the session. Interestingly, the session was held in hybrid mode I.e. both online and in physical mode to refer to the convenience of students who were permitted to participate from wherever they desired or physically attend it.

The session was concluded with a round of discussion and vote of thanks to Dr. Mohd Shoeb for enriching everyone with his vast knowledge and the organising team for their efforts. This was also the team's first physical event after the pandemic, and gladly it was a huge success.

**Felicitation Ceremony**, followed by the session, was also conducted on the same day at 1:30 PM in the college for successful outgoing members of Centre for Skill Development society. The ceremony was held in the presence of the society convener Dr. Kavita Arora who began the ceremony with a warm welcoming speech. The student team of previous sessions 2019-20; 2020-21; 2021-22 were awarded trophies and certificates for their selfless and exemplary work towards the society. Respected Principal Professor Rabi Narayan Kar also congratulated students and gave his heartiest wishes. The event was finished off on a happy note, where everyone created their memories that will have a warm place in their heart. Those students who were bided farewell by the team, were wished and blessed with luck for the journey that lies ahead of them.
