

CENTRE FOR SKILL DEVELOPMENT

Orientation session and Workshop on “Preparing for Success: An Introduction to NIELIT”

1. As part of NIELIT’s initiatives to promote digital literacy and Skill Development, the Centre for Skill Development (CSD) conducted an orientation program and Workshop at Shyam Lal College in collaboration with NIELIT on 27th January 2023. The resource person of the workshop, Ms. Swapnali Nayak, Joint Director, NIELIT familiarised the students and faculty with NIELIT's training programs, certification courses, and career opportunities in the IT and Electronics sectors. The National Institute of Electronics and Information Technology (NIELIT) is an autonomous scientific society under the Ministry of Electronics and Information Technology, Government of India. NIELIT provides training and certification programs in various fields of Information Technology (IT) and Electronics. Around 50 students who had applied for the various NIELIT courses attended the same.

The NIELIT orientation program at Shyam Lal College (SLC) was conducted by a team of experts from NIELIT, who provided insights into the various aspects of NIELIT's offerings. The program included presentations, demonstrations, and interactive sessions to engage the students and faculty. Some of the key aspects highlighted during the orientation program were: Training Programs: The NIELIT team introduced the students and faculty to the different training programs offered by NIELIT, which included courses on software development, networking, cybersecurity, data analytics, embedded

systems, and digital marketing, among others. They provided information about the curriculum, duration, and eligibility criteria for these programs.

2. The NIELIT team emphasized the importance of certification in the IT and Electronics industries and highlighted the certification courses offered by NIELIT, which are recognized by the Government of India and widely accepted by the industry. The team discussed the career prospects in the IT and Electronics sectors and the demand for skilled professionals in these fields. They provided insights into the job roles, salary trends, and growth opportunities available to certified professionals in the industry.

3.

4. The NIELIT team briefed the students and faculty about the various services offered by NIELIT, such as e-learning resources, online examination facilities, and placement assistance for certified candidates. They also explained the benefits of registering with the NIELIT portal for availing of these services. The NIELIT orientation program received positive feedback from the students and faculty of Shyam Lal College (SLC). Students expressed interest in registering with the NIELIT portal to avail the services of NIELIT in future. The NIELIT orientation program at Shyam Lal College (SLC) was a valuable initiative to create awareness about NIELIT's training and courses.
