

International Webinar on “Managing Personal Finance”

An *International Webinar* on the topic “Managing Personal Finance” was jointly organized by the Centre for Skill Development and the Entrepreneurship Cell on March 28, 2023 at 10:30 am in the Seminar Hall of the College. Resource person Dr. Noor Ulain Rizvi, Lecturer of Finance, School of Business and Humanities, Curtin University, Dubai discussed the importance of having a well-defined financial plan and making savings. She also elaborated on various investment avenues to the participants of the session. Around 80 participants attended the session.

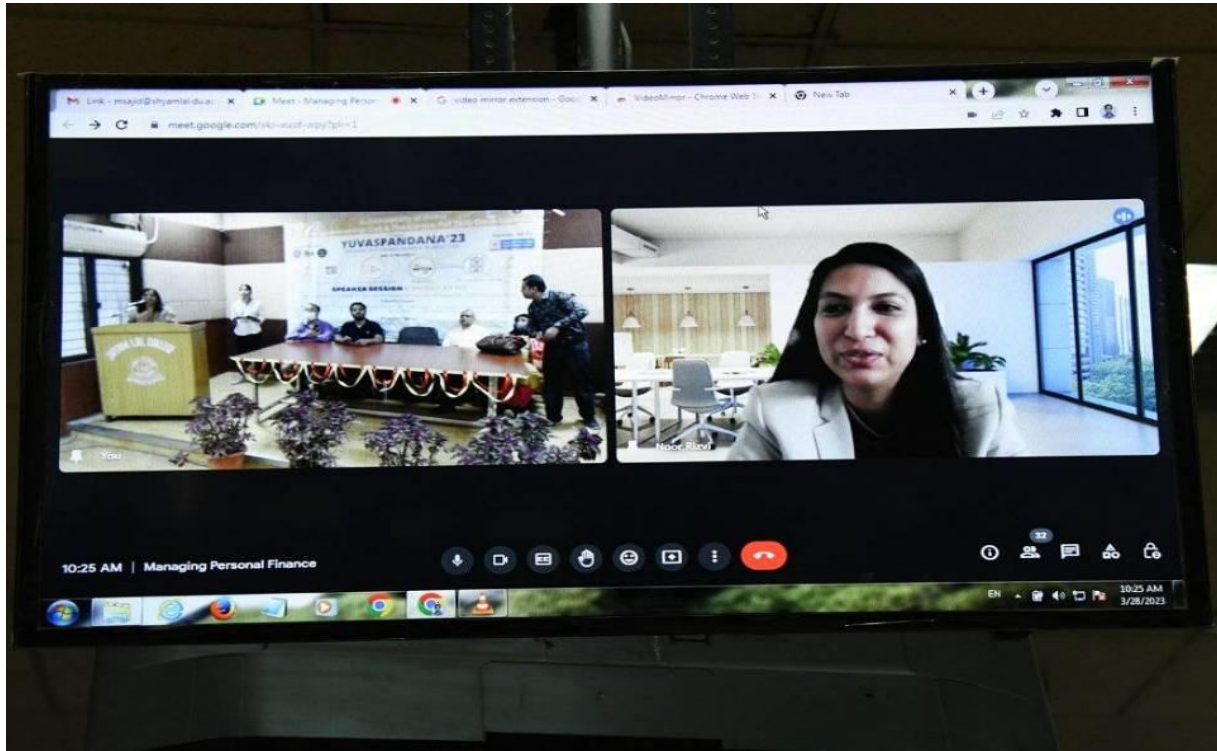

Dr. Rizvi shed light on the role of technology in revolutionizing personal finance management. She discussed the proliferation of digital financial tools and platforms that enable individuals to track expenses, set savings goals, and invest seamlessly. By leveraging these technological advancements, attendees were encouraged to streamline their financial management processes and stay abreast of their financial health in real-time. Throughout her address, Dr. Rizvi emphasized the power of compounding and urged the youth to start saving and investing early to harness its full potential. By instilling financial discipline and imparting practical knowledge on investment options and risk management, she equipped attendees with the tools and insights needed to make informed financial decisions aligned with their goals and aspirations.
