On October 17th, 2023, the Centre for Skill Development (CSD) Shyam Lal College, University of Delhi organized an Orientation Program for Add on Courses offered by CSD and Seminar on “CAREER OPPORTUNITIES IN STOCK MARKET”. The objective of the seminar was to provide exposure and understanding of stock market operations to the students and faculty members. The goal of this seminar was to promote research about share market among the youth and to provide them with the knowledge about the share market.

The session was started by Dr. Kavita Arora, Convenor, CSD, by explaining to the students the imperatives of Add on courses and their importance in the upcoming future. She then proceeded by welcoming the promising speakers for the day MR. PULOCK BHATTACHARJI (Vice President, BSE Institute Ltd.) and MS. SHRESTHA KAMBOJ(BSE Institute Ltd.).The seminar being on BSE, there could not have been better orators who would have explained the topics so vividly and tumultuously.

Mr. Bhattacharji and Ms. Kamboj talked about the various indexes of the country and explained in detail their attributes. They illustrated the SENSEX and NIFTY in depth as they make up most of the Indian Stock Market. They also gave students primal advice as to how they should engage in proper allocation of their funds and to ensure a good amount of savings. The theme of the seminar covered importance of the capital market, equity instruments, career in the equity research, and trading in equity market. These become more and more essential for the students as in the modern world, the margin of error is basically a fine line which the students can learn to master under the able guidance of these two people who are exceptionally thorough in their knowledge.

The session came to an end on a positive note with the queries of all the budding investors answered and their thirst for knowledge quenched. After the splendid interactive session, Dr. Gayatri Chaturvedi delivered a vote of thanks to the speakers and all those who played an important role in its smooth conduct making the seminar an informative and successful one.
