DATE- 09th MAY'2024

PARTICIPANTS:-72

GUEST SPEAKER:-R. Vignesh (Senior analyst -2 Financial Modelling (TMT sector)

Daloopa Private Ltd. , Noida)

COLLABORATION:-IQAC(Internal Quality Assurance Cell)

On the 9th of May, 2024 the Center for Skill Development(CSD)of Shyam Lal College organised a National Webinar in collaboration with IQAC. The topic of the webinar was“Confluence of Technological Innovation And Rapid Digitization” which was very relevant in contemporary times. The main speaker for the webinar was R. Vignesh,Senior Analyst-2 Financial Modelling. Prof. Kavita Arora, Convenor, CSD (SLC) welcomed all the dignitaries to the webinar. The objective of the webinar was to serve us a golden opportunity to understand & empower ourselves with the knowledge to navigate the digital age.

The Speaker elucidated on the latest developments in emerging technologies and their applications across diverse domains. From AI-driven automation to blockchain-enabled supply chain management discussions centered on the profound impact of technological innovation and digitization on various industries, including finance, healthcare, manufacturing and agriculture. Attendees gained insights into how these innovations are revolutionizing traditional processes and creating new opportunities.

It was a dynamic interactive session that brought together experts, professionals and enthusiasts to delve into the complexities of interplay between technology innovation and the fast-paced digitization of various sectors. The event provided valuable insights

into the transformative potential of emerging technologies and highlighted the challenges and opportunities they present in today's digital landscape.

As we celebrate our achievements, let us also reflect on the positive change we have brought about, inspiring others to follow in our footsteps. For remarkable contributions to society throughout the year all the faculty team member along with student team was felicitated with trophy and certificates. Their unwavering commitment and hard work have not only elevated our society but have also made a profound impact on the institution.

The seminar came to a fitting and apt end by the vote of thanks given by Dr. Gayatri Chaturvedi (faculty team member) as it served as a thought-provoking platform for exploring the transformative potential of technology in today's digital age by fostering collaboration, knowledge exchange and forward thinking, the event has contributed to advancing understanding and shaping the future of technology-driven innovation. Thus, a thunderous applause was the key to the speakers' perfect departure as we bid them adieu.
