On October 9th, 2024, the Centre for Skill Development (CSD) at Shyam Lal College, University of Delhi, organized an Awareness Program on "Cultivating Expertise: Empower Your Career with IT Skills" in collaboration with NIELIT. The objective of the seminar was to encourage students to explore the IT field, equip them with knowledge about various IT domains, and offer exposure to essential skills for future career growth.

The event commenced with a keynote address by Prof. Kavita Arora, Convenor of CSD, who emphasized the importance of Add-on IT courses and their potential impact on students' future career prospects. Dr. Arora then welcomed the esteemed speakers, Mr. Shivlok Singh and Mr. Nilesh Varshney, both serving as Deputy Directors at NIELIT.

The speakers introduced various courses available at NIELIT, including Certificate Course in Office Automation, Programming through Python, Artificial Intelligence and Machine Learning, and VLSI Design. They highlighted the importance of digital tools in transforming traditional learning and emphasized the role of IT in education to better prepare students for the modern workforce. Additionally, they outlined the essential IT skills students need to succeed in a competitive job market.

The seminar was highly interactive, with Mr. Singh and Mr. Varshney engaging students in a lively discussion. They recommended students visit NIELIT's Delhi centers in Karkardooma, Inderlok, and Janakpuri for further information and hands-on experience.

The program concluded with a networking session, allowing students to interact directly with the speakers and resolve any queries they had. Dr. Gayatri Chaturvedi delivered a vote of thanks, expressing gratitude to the speakers and all those who contributed to the smooth conduct of the seminar, making it an informative and successful event.
