The program began with a traditional lamp-lighting ceremony, symbolizing the beginning of a new journey toward knowledge and learning. The chief guests and the speakers participated in lighting the lamp, marking the start of the event.

The program commenced with a keynote address by Prof. Kavita Arora, Convenor of CSD, who began by warmly addressing the speakers and acknowledging their presence. She then emphasized the vital importance of Add-on courses and their significance in the future, proceeding to discuss how proficiency in foreign languages enhances job prospects in multinational corporations.

The program also featured an interactive session where participants addressed their queries with the speaker. The question-and-answer round provided valuable insights into managing language-learning challenges and staying motivated. Following the enriching interactive session, Dr. Gayatri Chaturvedi delivered a vote of thanks to the speakers and all those who contributed to its smooth conduct, making the program an informative and successful event
