

Centre for Skill Development

Team 2025-2026

Centre for Skill Development (CSD) was formed in 2015-16 with an aim to set up a platform for identification of skill gaps, develop courses in order to bridge the gap between University curriculum and Industry requirements. It is efficiently working with the support and guidance of our Principal, Prof. Rabi Narayan Kar, and with the efforts of the entire team of CSD. Apart from regularly organizing Skill Enhancement Workshops, Seminars, Industrial Visits, Skill Based competitions, the Centre is successfully running several employment oriented Add - On Courses. These Add-On Courses were introduced in October 2017. During academic session 2025-26, the Centre offered 10 Add-on courses including Certificate and Diploma courses in foreign languages (German, Spanish and French), Certificate course in stock Market, and Certificate courses in Information Technology (Office Automation, AI and Machine Learning, Digital and Social Marketing, Programming through Python and Certificate Course in VLSI) in collaboration with reputed organizations.
