“Innovation and skill development are the cornerstones of a progressive society. Platforms like Yuvaspandana empower students to transform their ideas into impactful realities,” remarked Principal Prof. Rabi Narayan Kar, setting an inspiring tone for the event.

On 1st April 2026, the Centre for Skill Development (CSD), in collaboration with the Entrepreneurship Cell (E-Cell) of Shyamlal College, University of Delhi, successfully organized its flagship annual event, “**Yuvaspandana'26 – The National Skill Development and Startup Fair.**” The event was conducted under the esteemed patronage of Principal Prof. Rabi Narayan Kar, with Prof. Kavita Arora and Dr. Bharat Garg serving as Convenors.

The event witnessed enthusiastic participation from over 100 students from institutions across India, showcasing exceptional talent, creativity, and entrepreneurial spirit. Yuvaspandana'26 created a vibrant platform for young minds to address real-world challenges through innovative ideas and practical solutions.

The highlight was the **Skill Expo**, where students presented startup ideas aligned with the theme “**Sustainable and Viksit Bharat.**” Stalls featured jute products, bags, earrings, candles, books, wooden articles, and eco-friendly paintings, demonstrating sustainable business practices. Another attraction was the stalls by foreign language students, showcasing **French, German, Spanish, and Japanese**, courses offered by CSD. Participants engaged visitors through interactive demonstrations, presentations, and pitches, reflecting their entrepreneurial vision.

The event also featured competitions and cultural performances, with participation from institutions including Sri Venkateswara College, Shaheed Bhagat Singh College (SBSC), PGDAV College, Institute of Home Economics, ARSD College, Meerut Institute of Engineering and Technology, MAIT, JIMS, Lakshmibai College, DCAC, Satyawati College, and more. Competitions like “**SolveExplore**” and “**Mystery Bid Arena**” tested analytical thinking, teamwork, and strategic abilities, fostering collaboration and healthy competition.
