Participants: 156 students

On September 26th, 2025, the Centre for Skill Development (CSD), Shyam Lal College, University of Delhi, organized an Orientation Program for Add-on Courses offered by CSD. The objective of the program was to provide exposure and awareness among students and to promote exploration of different foreign languages.

The program began with a traditional lamp-lighting ceremony, symbolizing the beginning of a new journey toward knowledge and learning.

The program commenced with a key note address by Prof. Kavita Arora, Convenor of CSD, who began by warmly welcoming the participants and acknowledging their presence. She then emphasized the vital importance of Add-on courses and their significance in the future, proceeding to discuss how proficiency in foreign languages enhances job prospects in multinational corporations.

The program also featured an interactive session where participants addressed their queries with the speaker. The question-and-answer round provided valuable insights into managing language-learning challenges and staying motivated.

At last, Dr. Rajni Arora delivered a vote of thanks to the speakers and all those who contributed to its smooth conduct, making the program an informative and successful event
