

E-Cell 2018-19 - ENTREPRENEUR SPEAKS

Another speaker session organized by the team was 'Entrepreneur Speaks', on 8th October 2018, addressed by Mr. Kirtiman Sharma, the founder of Hustle CoWork. He unfolded his experience as an entrepreneur, telling how it requires passion and determination, how he tackled the fundamental setbacks that came up with his first startup and also what induced him to institute Hustle CoWork. We ended that knowledge rich day with a fun and creative competition, 'Think with the Box', wherein the participants displayed their creativity, marketing skills, and managerial potentials. The event was attended by 70 students.
