NATIONAL SKILL DEVELOPMENT AND STARTUP FAIR, 15th-16th January, 2020

Life is too short to be ordinary! The Entrepreneurship Cell, Centre for Skill Development and Innovation Council of Shyam Lal College organised a **NATIONAL SKILL DEVELOPMENT AND STARTUP FAIR**.

The insight of the fest was to ignite the minds of youth, challenging their innovative and creative thinking skills; and it had the same soul throughout. Under the benign presence of our hon'ble principal sir, **Dr. Rabi**, chief guest, **Prof. Slagjana Stojanovaska (IBF, Macedonia)** and the convenors of respective cells the fair was set open after a ribbon cutting ceremony performed by the chief guest. Do not follow where the path may lead. Go instead where there is no path and leave a trail.

The fest had various competitions like Case Catalyst, Stakeholders Meet, Bulls v/s Bears, Think with the Box, Quiz Buzz and Andhadun wherein different colleges across the university including ARSD, RAMJAS, GARGI and HINDU participated. It ended with a valedictory ceremony to recognise the winners and celebrate their hardwork.
