

Eco-club (the_last_leaf) Shyam Lal College
Awareness about Covid-19 appropriate behavior
in Collaboration with
Department of Environment ,Government of India

COVID-19 pandemic gave an opportunity to adopt many appropriate changes in the behavior of the people during this pandemic period when mask and sanitizer has become necessity, Eco-club team conducted awareness drive from 14-12- 2020 to 15-01- 2021 to sensitize people towards sanitizers and mask not only this they even distributed the (200) sanitizers and (500) mask to the rikshawala, local vendors, street beggars etc. Various platforms were used to sensitize people like Whatsaap, Instagram, and Facebook etc. on various issues including messages for practicing social distancing, cough etiquettes, avoid greetings through physical contacts, and fear in spitting and urination at public places. The volunteers also partnered with local NGOs and organize numerous awareness camps in their nearby local areas like Block C, Rohini, Delhi Sector 19, Block-A Krishan Kunj, Laxmi Nagar Delhi for highlighting the importance of masks and sanitizer. Reusable mask were also distributed to the needy and also on regular intervals they spread awareness to reinforce the importance of various do's and don'ts for COVID 19 prevention. Even our team of students tries to realize the people the importance of circulation of any unverified or negative information on COVID-19 which can impact the minds of masses. More than 50 students participated in this drive.
