Donation camp during Covid -19

In Collaboration with

Department of Environment, Government of India

Coronavirus (COVID-19) pandemic has caused disruption & uncertainty. Most of the vulnerable communities faced uncertain challenges in meeting their daily food necessities. As is often the case, people living in poverty are suffering the most. Elderly people staying alone at home have limited resources to meet their basic requirements. In order to help aid these initiatives and connect with efforts on the ground, the Eco-club team has put together and took small initiative and organized a donation camp from 5-01-2021 to 15-01-2021 during covid-19 at their places in order to help maid, workers, laborers, waste pickers, guards by providing them cooked meals, clothes, food, mask, sanitizers (Govind Ballabh pant Marg Ghazibad) U.P. The main purpose was to feed the hungry during this pandemic. More than 50 volunteers participated in this cause.
