In collaboration with
Department of Environment, Government of NCT, Delhi

The World Environment Day celebration was held on 5th June 23, aimed at raising awareness and promoting action for environmental protection and sustainability. The event was organized with the theme of #Beat Plastic Pollution, emphasizing the importance of eradicating single-use plastic from our lives. The objective of the celebration was to engage the community in environmental initiatives and inspire positive change. This report highlights the successful collaboration between Green Yatra, an NGO, for a plantation initiative aimed at promoting environmental sustainability and community engagement. The program focused on planting trees to contribute to reforestation efforts and raise awareness about the importance of preserving our natural environment. Students and faculty members actively participated in the event, and we were able to plant around 750 plants of different species as well as medicinal plants in and around the college, including Aloe vera, Turmeric, Tulsi, Pepper, Elachi (Cardamom), Lemon, Mango, Amla, Grape, Bonsai, Chandani, etc. Almost 150 students, as well as teaching and non-teaching staff, participated.
