**AWARENESS DRIVE**

In celebration of the 76th Independence Day and honor of Azadi Ka Amrit Mahotsav, a significant initiative was undertaken by the collaborative efforts of the Eco-Club (the\_last\_leaf), SAP and UBA. Named the "Awareness Drive on # Save Soil," this endeavor aimed to elevate awareness regarding the critical importance of soil conservation and sustainable land management. The event's central focus was to highlight the essential role of soil in maintaining ecological balance and boosting agricultural productivity.

During this campaign, 10 students enthusiastically participated in distributing stickers featuring the "Meri Maati Mera Desh" logo for various vehicles including rickshaws, cars, and autos. This distribution activity occurred outside the campus on August 12<sup>th</sup> and 13<sup>th</sup>, while on August 14<sup>th</sup>, it expanded within the campus, involving faculty members and non-teaching staff. This joint endeavour exemplified a genuine dedication to raising awareness about environmental consciousness and encouraging active involvement in nurturing a more sustainable ecosystem.
