

Eco-club (the_last_leaf) Shyam Lal College
In collaboration with
Department of Environment, Government of NCT, Delhi

On December 14, 2023, the Eco-Club conducted a meaningful awareness drive in Delhi, rallying the community to reduce waste generation and adopt sustainable practices. With active participation from 15 Volunteers, the campaign targeted students, households, and businesses across the city. The resonant slogan "Dilli Say No to Waste, Embrace a Sustainable Pace!" encapsulated the core message, encouraging individuals and entities to prioritize eco-friendly living. The initiative involved engaging with residents, sharing insights on waste reduction, and fostering a collective commitment to environmental responsibility. By focusing on different segments of the Delhi community, including students, households, and businesses, the Eco-Club aimed to instil a sense of responsibility and promote sustainable habits. The campaign aspired to stimulate positive behavioural changes, emphasizing the significance of adopting eco-friendly practices for a cleaner and healthier city.

Waste generation Drive
(Dilli Say No to waste)

14th December, 2023
