

Eco-club (the_last_leaf) Shyam Lal College

In collaboration with

Department of Environment, Government of NCT, Delhi

Earth Day

On Earth Day, April 22, 2024, our Eco club members of Shyam Lal College, comprising 10 students, conducted an awareness drive, interviewing over 50 students and 30 faculty members about environmental issues and their conservation efforts. It was inspiring to hear their understanding and the initiatives they are taking to address these challenges. Our team also distributed stickers with beautiful pictures and quotes to motivate and appreciate their efforts. Additionally, Volunteers created and presented posters to raise environmental awareness. The experience was wholesome, showcasing the community's commitment to preventing further environmental concerns.

The poster is yellow with a light green border. At the top left is the Shyam Lal College logo, at the top center is the Eco-Club logo, and at the top right is a purple circular logo. The text in the center reads: 'SLC (University of Delhi) SHYAM LAL COLLEGE NAAC A++ & NIRF AIR 68 ECO-CLUB (the_last_leaf)'. Below this is a graphic of two hands holding a globe with the text 'EARTH DAY CELEBRATION'. The main title 'AWARENESS DRIVE' is in large, bold, black letters. The date '22nd APRIL, 2024' is below the title. At the bottom, it lists 'Team Leaders' (Parshvi Jain and Bhaskar Gupta), 'Coordinator' (Dr. Sunaina Zutshi), and 'Prof. Rabi Narayan Kar, Principal, SLC'.
