PLANTATION DRIVE

"On the occasion of the 76th Independence Day (Azadi Ka Amrit Mahotsav), the Eco-Club (the_last_leaf), in collaboration with SAP, the Garden Committee, and UBA, under the guidance of Prof. Rabi Narayan Kar (SLC Principal), organized an impactful 'Plantation Drive' on August 14th, 2023. This initiative was in alignment with the 'Meri Maati Mera Desh' campaign, reflecting our dedication to a greener future. The event drew enthusiastic participation from faculty, staff, and students alike, as we collectively planted the seeds for a more sustainable tomorrow. Nearly 50 students were actively involved in this meaningful endeavor. The success of this plantation drive has ignited our commitment to hosting similar events, cultivating a culture of environmental consciousness within our community. Our college remains steadfast in its dedication to nurturing the trees we've planted, ensuring their growth and fostering a healthier environment for all."
