On January 30<sup>th</sup>, 2024, the Eco-Club of Shyam Lal College conducted an e-waste drive focused on creating upcycled products. The event aimed to highlight participants' creativity and commitment to sustainability. Over 10 volunteers took this initiative and transformed electronic waste into useful and decorative items. This initiative emphasized the importance of reusing materials to reduce environmental impact and promote sustainable practices. The drive successfully showcased innovative upcycled creations, demonstrating the community's dedication to sustainability and inspiring others to follow suit.
