

Eco-club (the\_last\_leaf) Shyam Lal College (M)

*In collaboration with*

Department of Environment, Government of NCT, Delhi

The Eco-Club of Shyam Lal College (SLC) organized a speech competition, "Raising Awareness, Inspiring Action towards Ozone", on 10th September 2024, within the campus, in collaboration with the Department of Environment, NCT of Delhi. The event aimed to raise awareness among students about Ozone Week and inspire action towards ozone conservation. A total of 82 students participated in this event. In addition to the speech competition, the Eco-Club also conducted a plantation drive, further emphasizing the importance of environmental conservation. Through these initiatives, the Eco-Club successfully educated students about the importance of ozone layer protection and encouraged them to take action towards mitigating ozone depletion. The event fostered a sense of community and environmental responsibility among participants, providing a valuable platform for students to engage with environmental issues and develop their skills. To recognize outstanding performances, certificates of appreciation were awarded to the top three participants: Nirala (1st prize, B.com H), Muskan (2nd prize, B.Sc Physical Sciences), and Divanshi and Namdini (Both received 3rd prize from B.Com Program).
