In collaboration with

Department of Environment, Government of NCT, Delhi

On 11th December 2024, Sawasti Iks Center, in collaboration with IQAC, organized the Bhartiya Bhasha Utsav. This event paid tribute to the richness of Indian languages and culture, highlighting linguistic diversity and encouraging pride in native languages. 10 students from our Eco-Club participated in this event, which showcased India's vibrant cultural diversity through songs, skits, and speeches in various regional languages.

The event featured regional food stalls, offering a taste of India's rich culinary heritage. From South Indian delicacies to North Indian cuisine, these stalls took guests on a gastronomic journey, allowing students to explore regional cultures beyond language and performance. This immersive experience deepened appreciation for India's linguistic wealth and cultural diversity.
