

Eco-club (the_last_leaf) Shyam Lal College (M)

In collaboration with

Department of Environment, Government of NCT, Delhi

On 22nd March 2025, our Eco-Club volunteers took the initiative to sensitize college students about Earth Hour, an annual global event that began in 2007, encouraging people to turn off non-essential lights and electrical appliances for one hour to raise awareness about climate change and promote environmental conservation. Through classroom discussions, speeches, and poster displays, the volunteers spread awareness among students, emphasizing the importance of reducing our carbon footprint and inspiring their peers to take action. A total of 70 students participated in this initiative, pledging to switch off lights in their homes during Earth Hour and encouraging others to do the same, demonstrating their commitment to environmental sustainability.
