

Eco-club (the_last_leaf) Shyam Lal College (M)

In collaboration with

Department of Environment, Government of NCT, Delhi

The Eco Club of Shyam Lal College conducted an orientation program to introduce new members to the club's objectives, activities, and mission. The program, attended by 18 enthusiastic students, aimed to raise awareness about environmental issues and encourage students to actively participate in sustainability efforts, both on and off campus. The program provided an overview of the Eco Club's mission, vision, and objectives, as well as its past activities and achievements, presented by Dr. Sunaina Zutshi the Convener. Interactive sessions were also held to encourage student participation and engagement, and to discuss current environmental issues and challenges. Additionally, students were given the opportunity to share their ideas and suggestions for future Eco Club activities. The orientation program was a resounding success, raising awareness about environmental issues among new members and encouraging student participation and engagement in sustainability efforts. The program also fostered a sense of community and teamwork among Eco Club members and identified new ideas and suggestions for future activities. Overall, the Eco Club is excited to work with its new members to promote sustainability and environmental awareness on campus.
