On August 14th, 2024, our Eco-club proudly launched the 'Plant for Mother' campaign, aligning with the Prime Minister's 'Plant4Mother' initiative in collaboration with NSS. The primary objective of this campaign was to promote environmental awareness and encourage students to plant trees as a tribute to their mothers and Mother Earth. 50 enthusiastic Eco-club volunteers participated in the tree plantation drive within the campus. Our Principal, Prof. Rabi Narayan Kar, also graciously encouraged the students, praising their efforts and emphasizing the importance of environmental conservation. The campaign aimed to inspire individuals to plant trees, promoting a sense of responsibility towards the environment and acknowledging the nurturing role of mothers. Shyam Lal College (SLC) has always been at the forefront of such initiatives, and we remain committed to fostering a culture of sustainability and environmental stewardship, ever ready to take up innovative initiatives that contribute to the betterment of our community.
