Shyam Lal College celebrates culture and creativity with 'UMANG 8.0'

TSS/New Delhi
Shyam Lal College of University of Delhi hosted the eighth edition of its flagship inter-college cultural event, UMANG 8.0 – Blossom & Visual Narration of Tradition: Viksit Bharat @2047, bringing together students to celebrate creativity, tradition and sustainability.

Organised by the college's Garden Committee and Eco-Club in collaboration with the Internal Quality Assurance Cell (IQAC) and the Department of Botany, the annual event marked eight years of cultural engagement and has grown into a vibrant platform for students across the university to showcase their artistic and intellectual talents.

The programme was inaugurated by Principal Rabi Narayan Kar, who highlighted the importance of cultural expression in shaping a progressive and environmentally conscious society. Reflecting the theme

"Viksit Bharat @2047," the event sought to blend India's rich traditions with aspirations for a developed and sustainable future.

Students participated enthusiastically in competitions including Rangoli, Photography and Quiz, presenting innovative ideas and creative interpretations rooted in Indian culture. The competitions witnessed participation from several colleges of the University of

Delhi, with students displaying artistic brilliance and strong awareness of cultural heritage.

A lively exhibition showcasing elements of traditional culture added further vibrancy to the celebration. Social enterprises and creative initiatives also participated in the event, introducing an entrepreneurial and sustainability-oriented dimension to the programme.

Judges commended the

originality, creativity and depth displayed by participants across competitions. Winners were felicitated with prizes and certificates in recognition of their efforts and talent.

With strong student participation and a focus on heritage, innovation and environmental awareness, UMANG 8.0 reaffirmed Shyam Lal College's commitment to promoting holistic development and fostering creativity among young learners.
