

Eco-club (the_last_leaf) Shyam Lal College (M)

The Eco-Club of SLC organized a Cleanliness and Plantation Drive on campus with great enthusiasm On 2nd December 2025. 50 students participated in the drive, which focused on promoting environmental responsibility, restoring green spaces, and encouraging sustainable habits. Members cleaned campus areas, removed waste, and planted saplings to enhance the college's green cover and biodiversity. The activity aimed to sensitize students about waste management, resource conservation, and the importance of maintaining a clean and healthy environment. The drive reflected the club's commitment to building a cleaner, greener, and more sustainable campus.
