

INSTITUTION'S INNOVATION COUNCIL (IIC)

SHYAM LAL COLLEGE, DELHI

National Science Day: Innovation Fair

28th February 2024

Objective:

The National Science Day Innovation Fair, hosted by the Institute's Innovation Council (IIC), transcended the typical science fair format. It wasn't just about showcasing cool experiments or rote memorization of facts. Instead, it aimed to ignite a **lifelong passion for science** in students from diverse college backgrounds.

The fair recognized the **immense value and real-world applications of scientific concepts**. It went beyond theoretical knowledge, delving into the **exciting process of scientific inquiry**. Through interactive activities, students weren't just learning about science; they were **actively participating in the process**, fostering a deeper understanding of how science tackles pressing global challenges like **climate change** and **sustainable development**.

The event didn't stop at just understanding science. By showcasing **cutting-edge scientific advancements** and encouraging **hands-on participation**, the fair empowered attendees. They weren't just passive observers; they saw the **transformative power of science in shaping the modern world**. This experience inspired them to **envision themselves as active contributors to scientific progress**, not just consumers of knowledge.

The emphasis on **active participation** was crucial. It aimed to break down the perceived barriers to entering the scientific field. By engaging in hands-on activities and interacting with experts, students saw themselves not just as students, but as **potential innovators and problem-solvers**. This shift in perspective can ignite a **lasting love for science**.

and inspire the next generation of scientific minds to tackle the world's most pressing challenges.

Outcomes:

The IIC's event yielded a multitude of benefits for the participating students. It fostered a profound appreciation for the everyday applications of science, going beyond rote memorization and sparking genuine curiosity and enthusiasm for the subject. The engaging activities, like quizzes and extemporaneous speaking, not only imparted valuable knowledge but also provided a fun and interactive learning environment. Additionally, the program transcended the realm of pure academics, contributing to the students' holistic development by honing their communication skills and building confidence through participation in competitive challenges. This multifaceted approach to learning enriched the students' experience, fostering both academic growth and personal development.

On February 28th, 2024, Shyam Lal College (SLC), University of Delhi, hosted an Innovation Fair commemorating National Science Day. This collaborative effort by the Internal Improvement Committee (IIC), Internal Quality Assurance Cell (IQAC), and National Service Scheme (NSS) aimed to ignite a deeper appreciation for science's role in daily life and offer an engaging, interactive learning experience.

The Fair showcased three key components: a two-stage Science Quiz, a science-themed extempore speaking session, and an inspiring keynote address. Dr. Saubhagyalaxmi Singh, IIC Convenor at SLC, warmly welcomed attendees and expressed gratitude to the esteemed Chief Guest, Prof. T. V. Vijay Kumar.

The inaugural Science Quiz, involving 50 diverse students from various colleges, tested not only their scientific knowledge but also their critical thinking and problem-solving skills. It fostered friendly competition while reinforcing their understanding of science. The Science Extempore session challenged participants to think on their feet and articulate their thoughts spontaneously on scientific topics. This exercise honed their communication skills and instilled confidence in expressing their ideas.

The event's highlight was the captivating keynote address by Prof. T.V. Vijay Kumar, Dean of the School of Engineering and Professor at the School of Computer and Systems Sciences at JNU, New Delhi. Prof. Kumar, renowned for his academic and research achievements, delivered an enlightening discourse that sparked the curiosity and imagination of the audience. Drawing upon his vast knowledge and experience, Prof. Kumar shared invaluable insights through captivating anecdotes and thought-provoking narratives. He inspired the audience to embark upon a journey of scientific exploration and innovation, urging them to pursue the boundless possibilities within science and technology. His words served as a beacon of hope and encouragement, illuminating the path for future generations of scientists.

Winners:

Position	Quiz	Position	Science Extempore
1st	Yash Gupta (PGDAV College)	1st	Khushi (Shyama Prasad Mukherjee College)
2nd	Aditya	2nd	Rahul Bisht
3rd	Abhinav	3rd	Kamaldeep Bhat
