Ministry of Innovation Cell organized an online session to guide and strengthening the IIC linkages with ATLs and SICs in schools and framework for providing mentorship guidance on Monday, 31st July 2024 at 11:00 A.M. IST in an online mode.

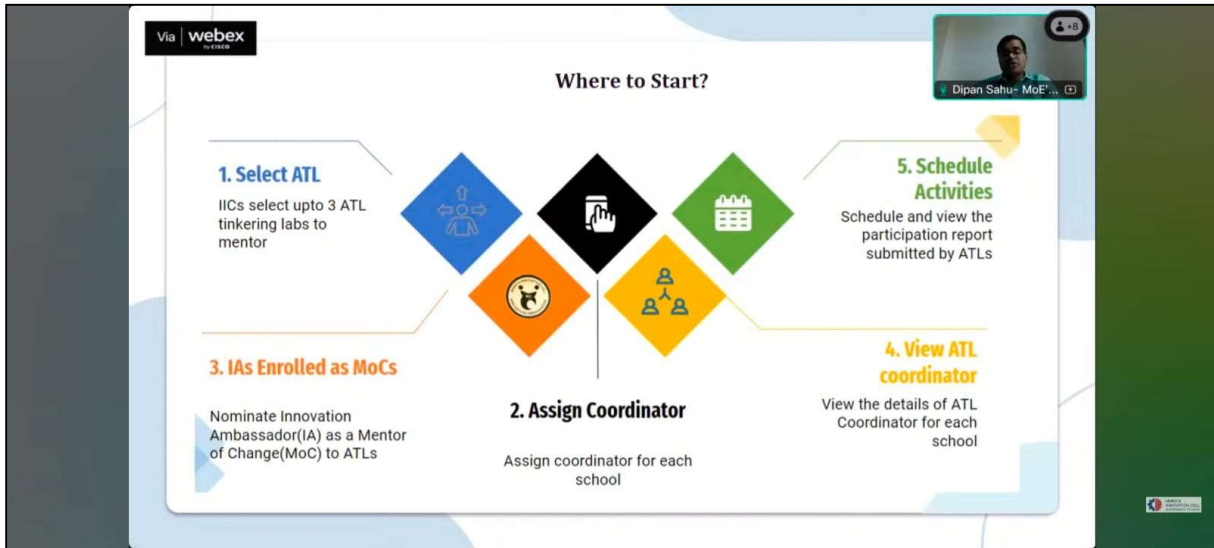

The session was hosted by Mr. Dipan Kumar Sahu who is an Assistant Innovation Director at Moe's Innovation Cell. The session was attended by 11000 members.

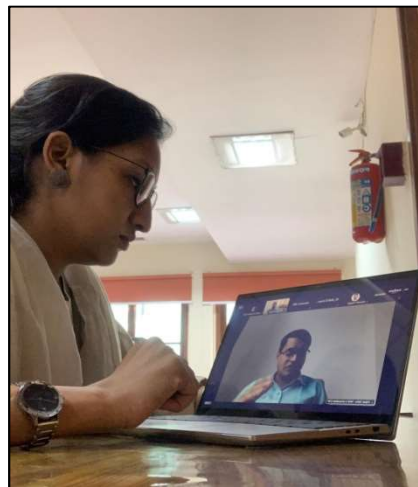

Some of the Key moments of this Session:

1. Mr. Deepen Kumar Sahu , the assistant innovation Director, discusses the importance of these linkages and the use of the IIC portal to facilitate mentorship and manage mentoring activities, including reporting and performance evaluation.
2. The portal also helps in channeling resources effectively and growing the ecosystem by connecting the IICs, ATLs, and SICs.
3. The session highlights various mentoring activities such as orientation sessions, Mentor Meets, one-on-one guidance, exposure visits, training, and boot camps. These activities aim to instill a research-driven mindset and provide practical experience in developing solutions to problems.

4. The speakers also discuss the current state of linkages, the challenges faced, and how to establish connections through the IIC portal.
5. Throughout the session, the importance of collaboration between schools and IICs is stressed, along with the role of Innovation Ambassadors in supporting nearby schools. The session concludes with plans for future interactive query sessions and Q&A opportunities to support those interested in joining the linkage program.

6. The session was so insightful for all the members which allow them in depth knowledge on the functioning of IIC.
