

INSTITUTION'S INNOVATION COUNCIL (IIC) SHYAM LAL COLLEGE, DELHI

Session Details:

Title of the session: Innovation & Entrepreneurship Outreach Program

Date with Month & Year: 12 August 2026

Duration (in hours): 2 hour

No of Students: 47

No of Faculties: 07

Mode: Offline

Convenor: Dr. Saubhagyalaxmi Singh

Faculty Coordinators : Dr. Kanika Solanki , Dr. Bisla Devi

Venue: PM Shri Kendriya Vidyalaya, GT Road, Shahdara, Delhi – 110032

Organized By: Institution's Innovation Council (IIC), Shyam Lal College (University of Delhi), in collaboration with IQAC

Objective of the Activity: The objective of the Innovation & Entrepreneurship Outreach Program was to introduce school students to the concepts of innovation, creativity, entrepreneurship, and problem-solving. The program aimed to inspire young minds to think creatively, develop innovative ideas, and understand the role of entrepreneurship in addressing real-world challenges. It also sought to encourage curiosity, teamwork, and an innovative mindset among students through interactive learning and engaging activities.

Theme: Innovation, Entrepreneurship & Student Development

Brief Activity of the Event

On **12 August 2026**, the **Institution's Innovation Council (IIC)**, Shyam Lal College, organized the **Innovation & Entrepreneurship Outreach Program** at **PM SHRI Kendriya Vidyalaya, Shahdara, Delhi**. Students were introduced to the concepts of innovation, entrepreneurship, and creative thinking.

Poster Making and **Essay Writing Competitions** were conducted to encourage creativity and innovative thinking. The event concluded with certificate distribution, inspiring students to explore innovation and entrepreneurship.

(Professor-Principal)

Key Highlights of the Session

1. Introduction to Innovation & Entrepreneurship:

Students were introduced to the fundamentals of innovation, entrepreneurship, and creative thinking, helping them understand how innovative ideas can solve real-world problems.

2. Interactive Learning Sessions:

The outreach program included engaging discussions and activity-based learning, encouraging students to actively participate and share their ideas with confidence.

3. Competitions to Foster Creativity:

Various competitions were organized to enhance creativity, analytical thinking, teamwork, and problem-solving abilities among the participating students.

4. Active Student Participation:

Students enthusiastically participated in all the activities and competitions, demonstrating curiosity, creativity, and a willingness to learn about innovation and entrepreneurship.

5. Recognition and Motivation:

Winners were felicitated with certificates and prizes, while all participants were appreciated for their involvement, motivating them to continue developing innovative and entrepreneurial skills.

Outcome of the activity:

1. Students gained a better understanding of the concepts of innovation, entrepreneurship, and creative thinking through interactive learning experiences.
2. The program encouraged participants to think creatively and develop innovative approaches to solving real-world problems.
3. Students enhanced their problem-solving, teamwork, and communication skills by actively participating in the activities and competitions.
4. The outreach initiative motivated students to explore innovation and entrepreneurship as valuable skills for their academic and future careers.
5. Participants gained confidence by showcasing their ideas and talents through various competitions and interactive sessions.
6. The event inspired students to cultivate an innovative mindset and actively participate in similar learning and innovation-driven initiatives in the future
