

# **Report: Session 2023-24**

## **SLC North Eastern Cell**

### **Activity: Participation in Yuvaspanda**

The North Eastern Cell set up another food stall at Yuvaspandana – National Skill Development and Startup Fair which was held on the 15th of March 2024. A group of seven students worked unitedly to put up a food stall that represents the Northeast of India. In this event, the Northeast cell displayed and sold various Northeastern food items such as “laphing” from Arunachal Pradesh and “shidho poli pitha” which is an authentic food from Tripura. Packaged rice cakes and a few other items were sold too. Managing the stall has helped the Northeastern students to work as part of a group and learn finance management. Dr. Rohit Jahari and Dr. M. Abbasuddin Tapadar together supervised the stall.
